

THE HEADSMAN

The maestro of the gallows, a Headsguard's very presence commands both awe and fear, as they are known for dealing lethal strikes with great efficiency. Whether it be on behalf of justice, or perhaps simply the right price, these solemn warriors excel at wounding and tracking their foes before doling out final judgment.

Often found working as bounty hunters, dogmatists, inquisitors, soldiers, or purveyors of death, Headsguards usually favor larger weapons, wear hoods, or even don armor or clothing that is adorned in grim imagery or religious iconography.

EXECUTIONER'S BURDEN

At 3rd level, knowledge of the body and maintenance of your weapons are necessary for a clean kill. You gain proficiency in the Medicine and Survival skills.

Additionally, your stature and the mere size of your weapon are enough to intimidate people around you. While you are wielding a Versatile or Two-Handed weapon, you can add your Strength modifier to any Charisma (Intimidation) or Charisma (Persuasion) check you make.

Lastly, you have seen brutal sights which insure you to things that would terrify lesser men. Whenever you are subjected to a spell or effect that would leave you frightened, if the DC is equal to or lower than your Constitution score, you make the saving throw with advantage.

SEVERING CLEAVE

Also at 3rd level, you know how to deliver the killing blow with expert precision. Whenever you hit a creature that is prone with a melee weapon attack, it ignores resistance to slashing and piercing damage.

Additionally, whenever you use the Shove action to knock a creature prone, you can treat a roll of 9 or lower as a 10.

Alternatively, when hitting a creature that is prone with a melee weapon attack, you can roll one additional weapon damage die instead. As always, remember to consult with your DM before using this variant rule.

BLOODHUNT

At 7th level, you gain an innate sense of those that are near death, allowing you to more easily hunt down your weakened foes. You know the location of any creature that is at or below half their hit point maximum within 30 feet of you, regardless of all cover. If you have hit this creature with a melee weapon attack within the last minute, the range increases to 60 feet.

Additionally, when moving towards a bloodied creature that you sense in this way, your movement speed increases by 5 feet. The bonus increases to 10 feet at 15th level.

Lastly, you have advantage on Wisdom (Perception) and Wisdom (Survival) checks made to locate or track a wounded creature.

The Headsman

LM Reder

The Headsman:

Right here, we have countless books **The Headsman** and collections to check out. We additionally present variant types and also type of the books to browse.
