

The Apple TV+ logo is positioned in the upper left quadrant of the poster. It features the iconic Apple logo with a bite taken out of it, followed by the text "tv+" in a clean, white, sans-serif font. The background is a dark, teal-tinted image of a city at night, with a bridge spanning across the top and a dense skyline of buildings at the bottom. The overall mood is serious and dramatic.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
