The Light Within Us:

The Light Within Natalie Harris,2020-12-17 The book is inspired by messages I have received from the spiritual realms about how it all began why we are here and how we can connect to our own light within I hope to bring you the reader comfort and hope The book explains that we can have both creation and evolution together we are evolving towards God and one day earth will become the first realm of the heavenly realms The book explains how we are instruments of light and that we also carry some negativity so that through our life journey we can help God transform this negativity into light The first part of the book is an overview of how it all began and why we are here As the book continues I explore spirituality through religion forgiveness love and what happens to us when we pass away The book is positive in its approach and I hope to bring a new way of looking at things to help bring clarity to the reader I hope you enjoy reading this book and that it will help you to make sense of the way things are in the world *The light within series* Light within series,1883 [The Light in Their Consciences](#) Rosemary Moore,2020-01-24 Hailed upon its publication as history at its finest by H Larry Ingle and called the essential foundation to explore early Quaker history by Sixteenth Century Journal Rosemary Moore s *The Light in Their Consciences* is the most comprehensive readable history of the first decades of the life and thought of The Society of Friends This twentieth anniversary edition of Moore s pathbreaking work reintroduces the book to a new generation of readers Drawing on an innovative computer based analysis of primary sources and Quaker and anti Quaker literature Moore provides compelling portraits of George Fox James Nayler Margaret Fell and other leading figures relates how the early Friends lived and worshipped and traces the path this radical group followed as it began its development into a denomination In doing so she makes clear the origins and evolution of Quaker faith details how they overcame differences in doctrinal interpretation and religious practice and delves deeply into clashes between and among leaders and lay practitioners Thoroughly researched felicitously written and featuring a new introduction updated sources and an enlightening outline of Moore s research methodology this edition of *The Light in Their Consciences* belongs in the collection of everyone interested in or studying Quaker history and the era in which the movement originated **Let There Be Light** Masireh Sanyang,2018-05-02 *Let there be light* is a revelatory Christian book it deals with enlightenment and fulfilment of one s purpose on the earth it emphasises the importance of spiritual enlightenment and the role Jesus Christ played in bringing mankind back to its creator LET THERE BE LIGHT reveals the hidden mysteries written in the pages of the bible and sheds light on the hidden reasons why mankind is going through so much suffering This book seeks to do away with ignorance and the grip the forces of darkness has on man It also seeks to empower man by showing him who he truly is the true intentions of God for him and the purpose of his existence it seeks to destroy the chains and bondage the enemy has put him under and to liberate him by revealing to him the mystery behind the sacrificial death of Jesus Christ and what that has accomplished for us all **(The daily Psalms, meditations, by the author of 'The daily round')**.
