## **Tiberius Caesar:**

**Tiberius Caesar** George Philip Baker,1928      **Tiberius Caesar** David Shotter,2004-08-17 A concise and accessible survey of the character and life of Tiberius Caesar heir of Augustus Caesar and emperor of Rome from AD 14 to AD 37

**Tiberius** Lindsay Powell,2025-08-30 Lindsay Powell offers a fresh reassessment of Tiberius Caesar highlighting his leadership reforms and misunderstood legacy as emperor History has not been kind to the memory of Tiberius Caesar 42 BC AD 37 second emperor of the Romans His reputation for capable generalship and sensible civic leadership are marred by reports of cruelty treason trials and sexual depravity Some historians have described him as a tyrant or even a monster But does he deserve this negative appraisal In Tiberius Lindsay Powell presents a fresh and penetrating reassessment of the life and legacy of the extraordinary man handpicked by Augustus to succeed him He shows that Tiberius was the right man for the job at the right time Tiberius built upon the innovations of Augustus by bolstering the Roman Commonwealth s institutions and reining in its expenditures He used his proven leadership skills in military and diplomatic affairs to avoid war whenever possible A no nonsense disciplinarian willing to eschew popularity for the good of the Res Publica he respected the Senate s independence recruited competent public administrators rooted out malpractice in provincial government and was generous to communities blighted by disaster Tiberius examines the known facts of the personal and professional life of Ancient Rome s third longest serving emperor He was a poet a collector of art and an astrologer Lindsay Powell explores how he dealt with success disappointment and loss all while under the unrelenting pressure of serving Augustus and then carrying out his ultimate duty by ruling the empire in his own right Descended from a famous family his standing has been undermined by his infamous appointees right hand man Aelius Sejanus who betrayed him prefect of Judaea Pontius Pilatus who crucified Jesus of Nazareth and his successor Caius better known as Caligula Yet when he died of old age or was he murdered he left the Roman Empire both stronger and at peace Meticulously researched Tiberius is lucidly written by the author of the acclaimed biographies Marcus Agrippa and Germanicus      **Tiberius and His Age** Edward Champlin,2024-11-05 A radical new portrait of the infamous Roman emperor Rome s second emperor Tiberius 42 BCE CE 37 has traditionally been seen as a villainous hypocrite treacherous grasping vindictive and depraved But in Tiberius and His Age Edward Champlin draws on vast and diverse evidence to show that Tiberius was and was seen by contemporaries to be recognizably human and far more complex than the monster of the hostile tradition that began with Tacitus and Suetonius Focusing on the overlapping themes of luxury sex power and especially myth Tiberius and His Age examines Tiberius s standing as a folkloric figure in the Roman popular imagination and his conscious use of mythological themes to consolidate his power It argues that the striking stories of Tiberius s sexual depravity which literary sources passed on to later generations are ultimately incoherent fictions the work of a brilliant fantasist who hated the emperor The book s portraits of three important figures in Tiberius s circle the gourmands Asellius Sabinus and Marcus Apicius and the emperor s lieutenant

Sejanus provide new perspectives on the emperor and his age Tiberius's passions for astrology gastronomy and mythology which have often been seen as eccentric scholarly diversions are revealed instead to be central to contemporary Roman debates and keys to understanding his personality his power and the lasting image of Roman emperors Incisive witty and original Tiberius and His Age presents a startlingly new picture of Tiberius and the culture and politics of the early Roman Empire *Covenant of Grace* T. L. Means,2022-04-08 The Bible speaks about Jesus's birth death resurrection and ascension as the gospel of salvation generally occurring between 9 BC to AD 30 As Christians connecting the dots from Jesus death helps us understand the chronological starting point of the dispensation of grace To know Christ's life events we need to follow customs and traditions involving the Jewish culture In *Covenant of Grace* author T L Means details the years mentioned clarifying the final seven years of the Bible as explained through the Jewish feasts He answers many question and make arguments based on factual constructive criticism such as What do we know about dates in the Bible Are there different calendar systems used to form a chronological order of events Is it God's will for us to know how the final years will begin and end without the repercussion of being judged by God Truth from the word of God allows us to justify its reality of biblical truth from historical events There is probable cause in every circumstance of life The root of it is either grounded in facts of truth or it is left in the challenge of probable truth without circumstantial evidence *Covenant of Grace* embarks on scholarly research to find sourced evidence about the cause and effect of life's truth *Watching Jesus Die* Woodrow Michael Kroll,2023-12-28 What if you could transport yourself back to the first century walking the dusty streets of Jerusalem late on Thursday night before Passover And what if you were tagging along behind eleven men led by Jesus to the Garden of Gethsemane You'd leave the Upper Room and go deep into the Kidron Valley to the garden There the temple police and a half crazed crowd arrive brandishing torches Jesus is taken to the palace of Annas and then to the High Priest Caiaphas What insight do we gain from history archaeology and most importantly the New Testament about where they lived In the morning Jesus would be sent to the Chamber of Hewn Stone What was this place and why is it important to the Passion narratives On to Pilate's Judgment Hall where new archaeological evidence questions its traditional location You pick up the trail again on the Via Dolorosa and follow Jesus to Jerusalem's killing field There you find the Savior dying on a Roman cross In just a few hours you have followed him from the Upper Room to Joseph's tomb and have gained valuable insight into each stopover to help you on your own journey to Calvary *Tiberius Caesar -- A Play in Five Acts* Ferdinand Dugue,2015-02-05 Frank J Morlock's English language translation and adaptation of Ferdinand Dugue's 1881 play *Tib re drame en cinq actes huit tableaux* chronicles the events in the life of Roman emperor Tiberius Caesar 42 B C 37 A D [The House of Caesar and the Imperial Disease](#) Seymour Van Santvoord,1902 [The Augustan Succession](#) Peter Michael Swan,2004 This commentary pays close critical attention to Dio's historical sources methods and assumptions as it also strives to present him as a figure in his own right During a long life ca 164 after 229 Dio served as a Roman senator under seven emperors from Commodus to
