Chitkara, 1994 Chiefly political situation of Tibet after 1951 **Tibetan Nation** Warren Smith, 2019-07-31 This detailed history offers the most comprehensive account available of Tibetan nationalism Sino Tibetan relations and the issue of Tibetan self determination Warren Smith explores Tibet s ethnic and national origins the birth of the Tibetan state the Buddhist state and its relations with China Tibet s quest for independence and the Chinese takeover of Tibet after 1950 Focusing especially on post 1950 Tibet under Chinese Communist rule Smith analyzes Marxist Leninist and Chinese Communist Party nationalities theory and policy their application in Tibet and the consequent rise of Tibetan nationalism Concluding that the essence of the Tibetan issue is self determination Smith bolsters his argument with a comprehensive analysis of modern Tibetan and Chinese political histories **China's Tibet?** Warren W. Smith, 2009 This groundbreaking book explores China s efforts to assimilate Tibet in the process rewriting Tibetan history to conform to Beijing s goals Warren W Smith Jr provides the historical context for understanding the current situation through an overview of China s actual as opposed to its promised policies toward Tibet over time His clear eyed appraisal of Chinese policy convincingly shows that the PRC s ultimate intention is assimilation rather than autonomy The author argues that Beijing fears that any genuine autonomy or dialogue with the Dalai Lama will fuel renewed nationalism in China s Tibet as the Chinese leadership calls its possession The book highlights China s past and current propaganda on Tibet to demonstrate China s sensitivity and defensiveness regarding the legitimacy of its rule It traces the history of Sino Tibetan dialogue to show how China has tried to use it to defuse Tibetan exile and international criticism while making no concessions in regard to Tibetan autonomy In the absence of any solution Smith advocates the promotion of Tibet s right to self determination as the most viable strategy for sustaining international attention and maintaining the most essential elements of Tibetan national identity Smith s thoroughly informed work will be valuable not only to Tibet experts and students but also to the larger world of Tibet activists sympathizers and others attempting to understand China s policies Tibet - a Country Where People Have Leapt a Thousand Years Forward Vinař, Jan, The core of the book is a critical edition of an unpublished reportage of Jan Vina from his 1959 trip to Tibet called Tibet A Country where People Have Leaped a Thousand Years Forward Vina s text was never published officially there are only fifteen copies of a samizdat edition printed in 1983 in Zurich and today it can be considered an important documentary material of the given historical period The reportage written in 1960 echoes the official Chinese narrative of Tibetan history and social development and his views reflect the Chinese interpretation of the March 1959 uprising The book is accompanied by so far unpublished photographic material from the 1959 journalist expedition to Tibet and scholarly commentary by editors to the original text in the form of footnotes and several studies clarifying certain aspects of the topic and the historical and political context Kamila Hlad kov describes the clash of Chinese

and Tibetan narratives explaining recent Tibetan history mainly regarding the occupation of Tibetan inhabited territories by the PLA in 1950 1951 and the legitimization of the regime after 1959 Lubo B lka provides detailed biography of Jan Vina and explains the historical background of the decade between 1950 and 1959 in Tibet analyzes the texts published by other visitors to Tibet in that time and introduces the phenomenon known in Tibetan language as thamzing or struggle sessions
