Tim's Friend Towser Edward Ardizzone,2008-01-28 Tim and Ginger find a puppy in one of the lifeboats and decide to call him Towser But as Towser grows bigger and bigger they have to work very hard at keeping him a secret Captain Piper hates dogs A classic picture book that has enthralled generations of children and is set to win the hearts of many more
Advertising and Selling Fortnightly ,1924 **The Reading Clinic** ,1980 **Our Paper** ,1915 **Women Drummers** Angela Smith,2014-04-10 In 1942 drummer Viola Smith sent shock waves through the jazz world by claiming in

Down Beat magazine that hep girls could sit in on any jam session and hold their own In Women Drummers A History from Rock and Jazz to Blues and Country Angela Smith takes Viola at her word offering a comprehensive look at the world of professional drumming and the women who had the courage and chops to break the barriers of this all too male field Combining archival research with personal interviews of more than fifty female drummers representing more than eight decades in music history Smith paints a vivid picture of their struggles to overcome discrimination not only as professional musicians but in other parts of their lives Women Drummers outlines the evolution of female drumming from pre biblical times when women held important leadership roles to their silencing by the church during the Middle Ages to spearheading the fight for women s rights in the modern era The stories and personal accounts of female drummers who bucked tradition and societal norms are told against the backdrop of the times in which they performed and the genres they represented from rock and jazz to blues and country Although women have proven time and time again that they can more than hold their own against their male counterparts female drummers not only remain a minority but their contributions have been obscured by the traditional chauvinistic attitudes in the music business and gender stereotypes that surround the drum itself as a male instrument Women Drummers takes a major step forward in undoing this misconception by acknowledging the talent contribution and growing power of women drummers in today s music environment **Ainslee's Magazine** ,1901
