

TORNADO!

by Carole Gerber

Warm, moist air drifts toward the sky;
gets caught in cold air speeding by.
Vicious, raging rains erupt.
Lightning flashes, wind speeds up
and shapes into a funnel form.
Tornado!
Deadly product of the storm.

Tornado Poems:

Tornado Ted Lardner, 2008 *Tornado* is a book of ravishing and precise beauty Death said Wallace Stevens is the mother of beauty and so it is here around the loss of a beloved sister in childhood Ted Lardner has spun a radiant web of language by which he reveals what does not and cannot die in the scale of nature above and underground in the movements of time and in the ongoing reach of human tenderness that glides through our skins like a wave lighting it up from inside Alicia Ostriker Ted Lardner enlarges our range of wonder For him the task is to bring the jolt of another world to us by showing us that a springtime apple tree is a brain in flower that comes to us from the other side of human language Each line of *Tornado* sends out a beam that flashes in the line then bounces like sonar in the reader's deeper parts where we keep our beloved dead It's as if Lardner did not write on a keyboard but with a typewriter ball with images not letters The tornado is his image for leaving for an intersection where the living pass beyond the visible yet begin the Orphic need for imagination At the center of this vortex Ted Lardner creates the space where the dead still have their Being and make their Rilkean demand that we change our lives This is a wonderful book Bill Tremblay *Tornado* Arnold Adoff, 1977-06-01 A poetic description of a tornado and its aftermath *The Tornado is the World* Catherine Pierce, 2016 The newest offering by Catherine Pierce is a whirlwind of poetic brilliance *Escaping Tornado Season* Julie Williams, 2004-03-02 Allie Benton's summer at her grandparents house in Minnesota is the same as it's always been northern lights and pine trees family gossip and root beer floats She's come here to escape Nebraska's tornado season every summer for as long as she can remember The only difference is this time no one's coming to take her back to Nebraska when fall rolls around With her father dead her mother run off to heaven knows where and her twin brother seven years buried just a ghost in her memory Allie settles in with her grandparents for a cold Minnesota winter But it's hard to fit in at a new school when her family can't afford to buy her a pair of blue jeans And in an ethnically divided community Allie isn't even allowed to choose the friends she wants handsome Joey Redfern and Lidia the beautiful Ojibwe girl who calls Allie my niijikwe my friend With a strong poetic voice Julie Williams creates snapshots of Allie piecing a new life together longing for her mother grieving for her father remembering her brother and struggling to do what's right in an imperfect world As the people around her come and go Allie starts to get a sense of who she is and of what she can hold on to despite the changes in her world *Inside The Mind Of The Tornado* Lianne D'Andrea-Winslow Ph. D., 2013-01-24 *Inside the Mind of Tornado* is a moving collection of poetry that navigates through the labyrinth of grief and loss The gentle words of these poems will guide you along a journey of remembrance and commemoration that yield healing and strength Unanswered questions move freely on the page as an honest expression grief during a life changing loss is revealed and honored *The Eye of the Tornado* Michelle J. Pinkard, 2003 Years of trials and triumphs have culminated into one thought provoking and praised poetic twister *The Eye of the Tornado* fifty poems for rhyme and reason Michelle J Pinkard uses the tornado as a metaphor for life to address spiritual sociopolitical and
