**Shekinah Unveiled** John Whitman,2018-07-05 Many Christians believe and have been taught that the bride of Christ is the church and this presupposition is widely held by scholars ministers and laity alike as though it were a biblical precept Yet this view actually owes its origins to pagan heresy and mysticism that infiltrated the church over the centuries In fact the scriptures tell us who Jesus will marry and it is neither the Christian church nor Israel *Shekinah Unveiled* examines and irrevocably dismantles the ages old traditions that maintain that the church is the bride of Christ and that Israel was Yahweh's wife Author and theologian John Whitman proves from scripture who the true bride of Christ and the wives of Yahweh are and he explains why it matters to know the identity of the bride of Christ Knowledge of the true identity of the bride of Christ affects multiple core doctrines of faith the imago Dei marriage sexuality and the family sin Christology ecclesiology eschatology judgment bridal theology and theology proper And because the latter is itself the bedrock upon which not only systematic theology but each of these other attendant doctrines are founded the very heart of Christianity is affected by knowing the identity of Christ's bride

**Philosophers, Sufis, and Caliphs** Ali Humayun Akhtar,2017-06-09 What was the relationship between government and religion in Middle Eastern history In a world of caliphs sultans and judges who exercised political and religious authority In this book Ali Humayun Akhtar investigates debates about leadership that involved ruling circles and scholars of jurisprudence and theology At the heart of this story is a medieval rivalry between three caliphates the Umayyads of Cordoba the Fatimids of Cairo and the Abbasids of Baghdad In a fascinating revival of Late Antique Hellenism Aristotelian and Platonic notions of wisdom became a key component of how these caliphs debated their authority as political leaders By tracing how these political debates impacted the theological and jurisprudential scholars and their own conception of communal guidance Akhtar offers a new picture of premodern political authority and the connections between Western and Islamic civilizations It will be of use to students and specialists of the premodern and modern Middle East

Isis Unveiled Helena Petrovna Blavatsky,1886 **The Gnostic Bible: The Pistis Sophia Unveiled** Samael Aun Weor,2025-02-01 The words of Jesus unedited and clearly explained It came to pass when Jesus had risen from the dead that he passed eleven years discoursing with his disciples and instructing them The Pistis Sophia The Apostles wrote down what Jesus taught them during those eleven years resulting in The Pistis Sophia the most important Gnostic scripture This edition includes an extensive commentary by Samael Aun Weor The Pistis Sophia is a sophisticated and deeply mystical teaching given by Jesus about the suffering of Sophia as she attempts to ascend to the highest spiritual truth This scripture is

remarkable for its profound mysticism its clear rebuke of unethical behavior and its perspective on the spiritual role of women Having read this text it becomes very clear why the established religious powers attempted to obliterate the Gnostics but failed Study of this teaching also inspires a re evaluation of how the Christian Gospels have been interpreted for centuries Most importantly the teachings presented here provide a remarkable insight into the true requirements for genuine spiritual development About this scripture the commentary author Samael Aun Weor said The Hebrew Bible clearly connotes the Word of the Eternal One However we the Gnostics also have our very special Bible I want to emphatically declare that this is The Pistis Sophia whose original is in Coptic It was found underground in Egypt the land of the Pharaohs The Pistis Sophia contains all the words of the adorable Savior of the world It was written by the Apostles Thus all the Esoteric Christic instructions that Jesus Christ gave to his disciples on the Mount of the Olives and other holy places is written within this book This book had been conserved in secret for many centuries In this book the Adorable One left an extraordinary formidable body of doctrine The Pistis Sophia Unveiled is a message for all humankind in every corner of the world
