Up Til Now:

Jesus Christ David Waites,2014-10-03 There is almost no one who would deny if it were put to him that the greatest possible attainment a man can make in this world is likeness to The Lord Jesus Christ Phillip Lundberg,2007-02-13 This translation of Kafka has a dual purpose for starters it intends to provide English readers with a better translation that Kafka s prose should find a more fitting analogy in modern American English whereby it should come to life to a greater degree and that his underlying philosophy and I say philosophy in the greater sense thus should be grasped more readily The second purpose is to explore issues regarding translation per se what is the proper role of the translator and why are so many translations done so poorly The five stories included in this book have been carefully selected to present Kafka s literary genius in its historical genesis from Metamorphosis 1915 Report to the Academy 1917 In the Penal Colony 1919 The Burrow 1923 24 to Kafka s last word Josephine the Songstress or The Mouse Folk which was written shortly before Kafka s death in 1924 This book also contains a short postscript on the art of translation that argues against the current modus operandi of translation theory indeed it goes so far as to quote from Kafka s diaries as well as from Schliermacher and early Roman translators on the responsibility of the translator to capture the spirit of the work in an imaginative manner **Worship As It Is in Heaven** John Dickson,Chuck D. Pierce,2010-10-26 According to the Psalms God is enthroned on the praises of His people and it is from that throne that He governs the heavens and the earth If this picture of God s rule found throughout the Scriptures is accurate shouldn t the Body of Christ seek to praise the King of heaven and earth in ways that release His kingdom government into specific circumstances John A Dickson and Chuck D Pierce coauthors of Worship As It Is In Heaven offer the Church a fresh look at heaven s pattern of worship instituted in David s tabernacle and renewed through Jesus approach in the earliest days of the Church **The Bellman Wave** Pearl Cozort,2012-07 Professor Jenny Spencer is working for Knolls University After the mysterious death of her mentor and boss Big Ed She asked to take his place at a poker group that meets once a month This group has a secret agenda keeping watch over what s left of a time machine Jenny has something the rest of these men want and they will do anything to get it Only Yuri is there to help her He knows that people can t travel through time He and Jenny struggle with their grief over Big Ed s death He is there to help her step back from her madness and he finds himself falling in love Sitting with her as they watch the fire to help bring them peace It is also the tale of Anna Evans who has to choose between the man she loves and saving her America from the ravages of war Anna fights the growing sickness of her body as her world begins to fall apart Both have waited a long time for love to come to them Both must leave it behind One for the sake of her sanity and the other for the sake of her country **Hearings** United States.
