Upstaging God:

Upstaging God Pelle Karlsson, Pelle Karrlson, 1996 In *Upstaging God* Pelle Karlsson takes a painfully honest look at the show off mentality that s pulsating through many parts of the Church today Dispelling the view that numbers and statistics are evidences of God s blessing the author challenges church leaders toward greater humility and service **The Oxford Handbook of Rhetoric and Political Theory** Dilip Parameshwar Gaonkar, Keith Topper, 2026-01-09 The resurgence of interest in rhetoric among political theorists is one of the most remarkable developments in the field over the past few decades Assembling a multidisciplinary group of prominent scholars *The Oxford Handbook of Rhetoric and Political Theory* is the most ambitious effort to date to display the range and vitality of work that constitutes the rhetorical turn in political theory Including thirty six chapters across five sections the Handbook explores issues that reside at the heart of many of the most pivotal debates and discussions in political theory today questions about the role of affect and emotion in political life the work of persuasion in political discourse the relationship between logic and style in political argument the character and scope of public deliberation the performative and constitutive dimensions of language the play of contingency in political life and the rhetorical structure of political texts The volume s authors assess the changing status of rhetoric in political theory and philosophy exploring disputes that arose in ancient Athens and have continued to the present day as well as urgent issues that have only recently emerged Moreover the Handbook investigates different understandings of rhetoric that have animated recent scholarship and examines key issues and approaches that have fueled the burgeoning interest in rhetoric and political thought *The Oxford Handbook of Rhetoric and Political Theory* demonstrates that an adequate understanding of political affairs cannot be attained without taking account the impact of rhetoric on political thought and conduct

Believing God R.T. Kendall, 2003-08-01 This insightful commentary by the minister of Westminster Chapel in London England makes Hebrews 11 come alive Author R T Kendall explores the nature of faith through heroes in Scripture while weaving in discussion of often debated matters such as the sovereignty of God creation and prophecy **Misunderstood Stories** Robert Karl Gnuse, 2014-03-20 Narratives in Genesis 1 11 have been misunderstood in many ways but they especially have been used to oppress women and African Americans and to present a God of wrath and judgment This commentary seeks to explain the real message behind those narratives which is one that speaks of human dignity and equality that affirms monotheism that criticizes kings and tyrants that declares our oneness with the animal realm and nature and that proclaims a powerful message of divine grace with a deity personally involved in the human world Humor may also be found in some of these stories These biblical passages can be best explicated by close reading as well as by knowledge of comparable stories from the ancient Near East and from the classical world and finally by knowledge of the concomitant social and political values connected with those other myths and narratives [The Corinthian Women Prophets](#) Antoinette Wire, 2003-10-03 I am impressed Wire s method a close scrutiny of Paul s rhetoric to reconstruct the audience of the letter is intriguing and

fruitful Ross Shepard Kraemer Editor of *Maenads Martyrs Matrons and Monastics* Antoinette Wire has written an excellent and much needed book on the Corinthian women prophets A careful analysis of the rhetoric of Paul s argument has enabled Wire to reconstruct the theological understanding of the Corinthian Christian women and to show how Paul s loss of social status in becoming a Christian affected his theology and how their gain in status influenced theirs An important book for feminist biblical scholarship for our understanding of early Christianity and for our understanding of how social status and theology may interrelate Joanna Dewey Episcopal Divinity School Cambridge Mass **Freeing Congregational Mission** B. Hunter Farrell,2022-01-25 North American congregations face a deepening crisis of consumer oriented selfie missions and practices based on colonial era assumptions Seeking to free congregational mission from harmful cultural forces this book helps churches better partner with God s work in the world offering the latest research and practical step by step tools for churches Getting Ready for Revival Stuart D. Reynolds,2018-01-11 Pervaded by the stench of self satisfaction self obsession and self justification the Church in the West overcome by its culture finds herself in an ailing condition very few seem to want to mention never mind confront to correct Biblical imperatives often go unheeded in the pew largely because they are unsounded from the pulpit as we live out our own dark and more sinister version of the Emperors New Clothes Drawing primarily from the scriptures along with other revival writers such as Finney Tozer Ravenhill *Getting Ready for Revival* seeks to stimulate our minds out of our ignorance of Gods Word and stir our hearts over our forgetfulness of God returning us to the wells we did not dig Deut 6 1012 of Gods provision and insistence that we may not die in the graves our own wells are **Time, Space and the Human Body: An Interdisciplinary Look** Rafael F. Narváez,Leslie R. Malland,2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Concerns about the human body and soul and their relationship to the world around us are as old as Western Culture itself Beyond philosophy and theology these sorts of preoccupations have also marked the arts literature and poetry and to be sure they have influenced Western culture and have marked westerners imaginations and our everyday understanding of human nature This book considers various ways in which the body is and has been addressed and depicted over time and it is also a reflection on the ways in which the very spaces that we design and inhabit likewise reflect perceived ideas and misconceptions about the human body

Mallory of the Angels 2 Carlos T. Leon,2017-03-03 God created Las Nuves in an attempt to correct the evil that occurred on Earth For hundreds of years Las Nuves followed the path and laws of God but suddenly its most respected and highest ranking priest betrayed not only his people but God Almighty himself Mallory of the angels is dispatched to intervene and bring Las Nuves back into the light and love of God **Sermons of Martin Luther** Martin Luther,1996 You Can Teach High Schoolers Ardith Hooten,Paul Heidebrecht,1981 **Upstaging Big Daddy** Ellen Donkin,Susan Clement,1993 Challenges established notions of the director s craft and disrupts conventional interpretations of the canon **The Art of Staying Well in an Uptight World** Ken Olson,1989 Americans are paying an exorbitant price for living in an uptight stress

filled society a whopping 322 billion spent on health care 75 percent of which was caused by stress Olson suggests a wellness model for developing a lifestyle of positive wellness From Wordsworth to Stevens Anthony Mortimer,2005 On the occasion of Robert Rehder s seventieth birthday this Festschrift pays tribute to a forceful and inspiring teacher who is both a poet himself and the author of major studies on Wordsworth and Wallace Stevens The contributions reflect the range of Rehder s achievement with essays on Wordsworth and his contemporaries on the American poets who have been at the centre of his teaching Whitman Dickinson William Carlos Williams and on recent figures such as Thom Gunn and Seamus Heaney It concludes with some appreciations of Robert Rehder s own poetry This volume addresses all those who are concerned with poetry in the age of Wordsworth with the poetry of our own age and with the continuities between them

The Best Plays of ... and the Year Book of the Drama in America Burns Mantle,Garrison P. Sherwood,1927 **All These Girls** Ellen Slezak,2004-08-04 Quitting the basketball team after losing her mother Candy is taken in by her widowed and divorced aunts who hope to set Candy straight through tough love **Inequality in Northern Ireland** David John Smith,Gerald Chambers,1991 A common view among members of the ruling group in Belfast and London is that after the reforms of the 1970s the public services and the main social and economic institutions in Northern Ireland are as fair as they can be in a divided society and that any remaining inequality between Protestants and Catholics is a reflection of historic discrimination which has now been put right In this benchmark study David Smith and Gerald Chambers assemble a wide range of statistical material that emphatically contradicts this view of Northern Ireland s fair and equitable society Examining the extent of inequality between Protestants and Catholics in all areas of daily life the authors show how far inequalities can be explained by factors other than discrimination They also show how people perceive inequality and discrimination and how important they think these issues are This penetrating study will be of interest to teachers and students of politics sociology law social policy as well as journalists and political commentators **Burns Mantle Best Plays and the Year Book of the Drama in America** John Chapman,Garrison P.
