What A Load Of Trash:

What a Load of Trash! Steve Skidmore,1991 Discusses different kinds of wastes and their effects on the environment

The Music Room: A Memoir William Fiennes,2010-09-13 A bittersweet description of an ancient family house in an enchanted setting and of growing up with a damaged brother Sublimely evocative The New Yorker William Fiennes spent his childhood in a moated castle the perfect environment for a child with a brimming imagination It is a house alive with history beauty and mystery but the young boy growing up in it is equally in awe of his brother Richard Eleven years older and a magnetic presence Richard suffers from severe epilepsy His illness influences the rhythms of the family and the house s internal life and his story inspires a journey interwoven with a loving recollection toward an understanding of the mind This is a song of home of an adored brother and the miracle of consciousness The chill of dark historical places coexists with the warmth and chatter of the family kitchen the surrounding landscapes are distinguished by ancient trees secret haunts the moat s depths and temptations Bursting with tender detail The Music Room is a sensuous tribute to place memory and the permanence of love *South Western Reporter.
