What Dogs Do

J Elliott

What Dogs Do:

What Philosophy Can Tell You about Your Dog Steven D. Hales,2011-08-31 Do dogs live in the same world as humans Is it wrong to think dogs have personalities and emotions What are dogs thinking and what s the nature of canine wisdom This is a book for thoughtful dog lovers who want to explore the deeper issues raised by dogs and their relationships with humans Twenty philosophers and dog lovers reveal their experiences with dogs and give their insights on dog related themes of metaphysics and ethics *Why Do Dogs Like Balls?* D. Caroline Coile,Margaret H. Bonham,2008 Do dogs believe pictures of dogs are real Why do dogs turn in a circle before they lie down Can you trust someone your dog hates Dog owners have questions here are the answers to more than 200 of them provided by two of the most knowledgeable writers in the field Fun to read eye opening and filled with important facts that every fan of Fido should know it encompasses topics ranging from doggie intelligence Can dogs learn to read to canine behavior body and senses Can a dog sniff out cancer Find out if blind dogs are sad whether dogs should be allowed to roam why they lick you and why they wag their tails You ll gain a better deeper understanding of your best friend *Does My Dog Love Me?* Graeme Hall,2024-02-01 Now a Sunday Times bestseller Have you ever wondered what your dog is really thinking Our dogs mean the world to us and as owners we do our best to make sure they feel happy and loved whilst also keeping them in line when needed But wouldn t it be so much easier if we spoke the same language and could ask what they were thinking or feeling In his latest book top dog trainer Graeme Hall reveals the secrets to understanding what your furry companion is trying to say and how they see the world Drawing on 15 years of experience training over 5 000 dogs and backed up with scientific evidence he tackles all the tricky questions you ve ever wanted to ask such as how do I tell my dog he s been naughty and how long does a dog remember Sharing his own personal stories and practical tips Graeme demonstrates how to interpret your dog s body language and use that knowledge to build a stronger more rewarding relationship as well as how to avoid common mistakes Whether you re a seasoned dog owner or a new pup parent this book will change the way you think about your four legged best friend **Our Canine Connection: The History, Benefits and Future of Human-Dog Interactions** Sandra McCune,Aubrey Howard Fine,Eric G. Strauss,Evan MacLean,2022-04-11 *Why Does My Dog Act That Way?* Stanley Coren,2007-12-04 Draws on recent scientific discoveries to analyze canine character in a reference that explains how to assess a dog s specific traits and promote desirable behavior *Be The Dog* Steve Duno,2008-02-05 A well trained dog rewards you with a kind of love and loyalty you won t get anywhere else But the secret of this relationship is not in the dog it s in the owner Here s a revolutionary approach to dog training based on observing what natural dog owners do instinctively that is they intuitively understand the canine mind and relate to a dog by thinking like a dog Readers who follow their example will discover that instead of trying to outsmart the dog they ll build up his IQ Instead of trying different forms of punishment they ll enrich his environment Together owner and dog will throw away the old ideas of obedience and control and build a deeper relationship
