Dance as Third Space Heike Walz, 2021-12-06 Dance plays an important role in many religious traditions in rites of passage processions healing rituals or festivals But it is also controversial especially in Christianity Colonial European

Christian discourses tend to separate dance from religions and spirituality This volume explores dance as Third Space following Homi Bhabha's postcolonial metaphor The Inter Dance approach combines interdisciplinary theoretical considerations with case studies International experts examine dance controversies and discourses from the early church to World Christianity as well as in Hasidic Judaism Greek mysteries Islamic Sufism West African Togolese religions and Afro Brazilian Umbanda Christian dance theologies are unfolded and the boundary crossing potential of dance in interreligious and intercultural encounters is explored The volume breaks new ground in how dance as ephemeral performative art embodied thought and gendered discourse can transform studies of religion
