Previously published **The Summer House** Lauren K. Denton,2020-06-02 It's never too late to start over The Summer House weaves Lauren K Denton's inviting Southern charm around a woman's journey to find herself in a small beach town with a little help from the local retirement community Lily Bishop wakes up one morning to find a good bye note and divorce papers from her husband on the kitchen counter Having just moved to Alabama for his job only weeks before Lily is devastated New to town and knowing no one Lily finds herself in desperate need of a job and a new place to live When Lily hears that a hair stylist is needed at small retirement community she decides to apply Rose Carrigan built the small retirement village of Safe Harbor years ago just before her husband ran off with his assistant Now she runs a tight ship making sure the residents follow her strict rules Rose keeps everyone at arm's length including her own family But when Lily shows up asking for a job and a place to live Rose's cold exterior begins to thaw Lily and Rose form an unlikely friendship and Lily's salon soon becomes the place where the colorful residents share town gossip and a few secrets Lily soon finds herself drawn to Rose's nephew Rawlins a single dad and shrimper who's had some practice at starting over and one of the residents may be carrying a torch for Rose as well Neither Lily nor Rose is where she expected to be but the summer makes them both wonder if there's more to life and love than what they've experienced so far The Summer House is a Cozy novel full of charm and heart that's perfect vacation reading Celebration of new beginnings friendship and family Sweet clean romance set on the Gulf Coast The perfect summer read Situated on the Alabama Gulf Coast you'll feel the sun taste the salt and linger with new friends you won't want to leave And with lyrical prose and rich characters The Summer House is a beautifully poignant reminder that we are never too young to find a good place to stand nor too old to start over Katherine Reay bestselling author of The Printed Letter Bookshop and Dear Mr Knightley **That Summer Hideaway** ,2024 **Summer at Hideaway Key** Barbara Davis,2015-08-04 From the author of The Wishing Tide comes a stunning new novel about two summers one journal and the secrets that can break and open our hearts Pragmatic independent Lily St Claire has never been a beachgoer But when her late father leaves her a small house on Hideaway Key one neither her mother nor she knew he owned she's determined to visit the sleepy spit of land along Florida's Gulf Coast Expecting a quaint cottage Lily instead finds a bungalow with peeling shutters and mountains of memorabilia She also catches a glimpse of the architect who lives down the beach But it's the carton of old journals in the front room that she finds most intriguing The journals were written by her mother's sister an infamous beauty whose name has long been banned from the St Claire home The journals tell a family tale Lily has never heard of her mother and her aunt as young girls in Tennessee and the secrets that followed them into adulthood As she reads Lily gains a new understanding about her family and about herself And she begins to open her heart to this place these people and the man next door But can she ever truly learn to trust to believe that love is not a trap
