The Leap:

The Leap of Your Life Tommy Baker, 2019-03-26 There is a bold decision in your life you've been waiting to make and every day passing by is a reminder of what hasn't happened Conveniently tucked in a box labeled someday the fear of the unknown has taken a grip on your life and put your dreams on hold Until now Whether your leap is quitting the soul sucking job and starting your own business taking a bold chance on love or finally going all in on your dreams *The Leap of Your Life* is the ticket to get you there All while having the time of your life and ensuring you don't wake up years down the line with a sinking feeling of regret Author and high performance coach Tommy Baker has helped thousands of everyday people identify and take their leap step into courage and create a life they can't wait to wake up for After interviewing 250 of the world's most powerful entrepreneurs thought leaders experts spiritual teachers and athletes he discovered a common theme They all took a leap even if they were full of fear and it radically transformed their experience of life If you're ready to Re-define risk and stop playing small Step into the boldest version of yourself Give yourself permission to take a chance Live the Hero's Journey of your life story Eradicate regret and what could have been then look no further and order *The Leap Of Your Life* now
