now deadly Fentanyl are in every neighborhood in the country Addiction affects everyone Why do millions of middle class and upper class Americans throw away everything they have and more just to feed their opioid addiction Do you wonder how this began where it came from What caused this out of control opioid pandemic What fuels the dynamics of the addicted brain and is there a solution Killing Pain explains in a very personal and brutally honest way how it all began how easy it is to become addicted to opioids and what it takes to get clean again As bad as it is there is a solution
