## **Toronto Experience:**

**Immigrant Experiences in North America** Harald Bauder, John Shields, 2015-05-01 Immigration settlement and integration are vital issues in the twenty first century they propel economic development transform cities and towns shape political debate and challenge established national identities This original collection provides the first comprehensive introduction to the contemporary immigrant experience in both the United States and Canada by exploring national regional and metropolitan contexts With essays by an interdisciplinary team of American and Canadian scholars this volume explores major themes such as immigration policy labour markets and the economy gender demographic and settlement patterns health well being and food security education and media Each chapter includes instructive case examples recommended further readings links to web based resources and questions for critical thought Engaging and accessible Immigrant Experiences in North America will appeal to students and instructors across the social sciences including geography political science sociology policy studies and urban and regional planning *Canadian Engineer* ,1913

**Electing a Diverse Canada** Caroline Andrew, John Biles, Myer Siemiatycki, Erin Tolley, 2009-07-01 Electing a Diverse Canada presents the most extensive analysis to date of the electoral representation of immigrants minorities and women in Canada Covering eleven cities as well as Canada s Parliament it breaks new ground by assessing the representation of diverse identity groups across multiple levels of government The book begins by introducing the literature on electoral representation and the main concepts and frameworks underlying research on immigrants women and minorities Using survey and census data its chapters provide snapshots of officials elected at municipal provincial and federal levels and compares these to portraits of the general population The volume concludes by reviewing key findings and discussing patterns of over and under representation in Canadian government Electoral representation is an important indicator of a democracy s health yet there is limited research on how well elected representatives reflect the characteristics of voters Electing a Diverse Canada provides a baseline for future research not only by assessing electoral representation but also by outlining key challenges impeding the future health of Canadian democracy *Canada Lumberman and Woodworker* ,1920

**Using Narrative Inquiry for Educational Research in the Asia Pacific** Sheila Trahar, Wai Ming Yu, 2015-04-10 Narrative inquiry is being used more widely in the UK the USA Canada Australia New Zealand and Northern European countries to conduct research across a range of disciplines It is gaining popularity in Hong Kong Macao and Mainland China but research in these contexts continues to be dominated by quantitative and more traditional qualitative approaches Narrative inquirers in these areas can therefore find it problematic to have the value of their work acknowledged This book demonstrates creatively accessibly and rigorously the ways in which narrative inquiry as a methodological approach already more firmly established in Australia and New Zealand is gaining a foothold in other parts of the Asia Pacific region Contributors to the book write about their use of narrative inquiry in for example the Confucian heritage cultures CHC of Hong Kong Mainland China Singapore Macao and

the Anglo Celtic cultures of Australia and New Zealand Chapters in the book include Creative Non Fiction Across Cultures in Asia Pacific Contexts Riding the Wave of Education Reform Using a Reflecting Team to Explore the Professional Identities of School Counsellors in Hong Kong Is the Silent Mode On Re searching Teachers Voices in Macao through Narrative Research Narrative Inquiry and the Exploration of Culture for Improving Teacher Education This book will appeal to researchers across all sectors of education in particular those who are exploring the use of qualitative research methods in their context Those interested in comparative education and cross cultural studies will also find this book valuable
