Ronda Shea Discipleship Ministry Pastor Village View Community Church Summerfield Florida [What Does God Know and When Does He Know It?](#) Millard J. Erickson, 2009-08-30 Does God know the future Or is the future unknowable to even God Open theists believe the search for biblical answers will spark a new Revolution Are they right Arguing that God interacts with his creatures spontaneously the controversial new movement known as open theism has called classic church theology up for reexamination Confronting this view classic theists maintain that God has complete foreknowledge and that open theist arguments are unorthodox Each view has implications for our vision of the future and of God s dealings with humanity

*What Does God Say About That?* Eunice Jewett, 2019-07-17 Hopefully what all people will get from this book is that the Lord God does not want His children to have religion with Him As we see in Genesis through Revelation what He wants is a relationship with His children What I am trying to say is the daily reading of His Word When we are new we can only can get

milk from the living Word Then as we grow we can read the same living Word of God but He reveals more and more to us If we are brand new He gives us what we need and if in the beginning we are too afraid to pray out loud we can pray in our minds The saying If you except Jesus your life will be a garden of roses is a lie In my walk of faith I have gone through valleys that felt like hell Then I got to a mountaintop only to go through many other paths What I know for sure is sometimes we need to go through these many troubles or rough times so that when we meet another going through close to what we have gone through we can give them the courage to stay strong in their faith in Christ Jesus because He is the only person who can get us through everything with joy peace forgiveness undeserved mercy and grace I love seeing people go from a vocal understanding to being able to read and comprehend and being able to find facts about the living Word that they had never been able to do before
