Trade eBooks in Libraries Paul Whitney,Christina Castell,2016-12-05 With the advent

of downloadable retail eBooks marketed to individual consumers for the first time in their history libraries encountered an otherwise commercially available text format they were prevented from adding to their collections Trade eBooks in Libraries examines the legal frameworks which gave rise to this phenomenon and advocacy efforts undertaken in different jurisdictions to remove barriers to library access The principal authors provide a general historical overview and an analysis of library eBook principles developed by a variety of library associations and government reviews In addition experts from twelve countries present summaries of eBook developments in their respective countries and regions

Digital Productivity Jean Claude Mukalay, 2023-03-10 Digital Productivity How to Use Technology to Optimize Your Work Time is a comprehensive guide to help professionals harness the power of technology to maximize their productivity This book is perfect for anyone looking to increase their efficiency streamline their workflow and get more done in less time The book is divided into three parts Part one focuses on the basics of digital productivity including an overview of technology tools and strategies that can help you be more productive It covers topics such as time management goal setting and organization providing readers with actionable tips and tricks they can implement immediately Part two of the book delves into the specific tools and technologies that can help you optimize your work time It covers a range of tools from simple apps that can help you manage your to do list to more advanced software that can automate repetitive tasks The author provides in depth reviews of each tool along with tips on how to use them effectively The final part of the book focuses on advanced strategies for maximizing productivity It covers topics such as batch processing delegation and outsourcing providing readers with advanced techniques to take their productivity to the next level Whether you re a busy professional looking to get more done in less time an entrepreneur looking to streamline your workflow or a student looking to boost your academic performance Digital Productivity How to Use Technology to Optimize Your Work Time has something for everyone With its practical tips and comprehensive coverage of the latest productivity tools and techniques this book is an essential resource for anyone looking to improve their productivity and get ahead in their career In today s fast paced world productivity is more important than ever As technology continues to evolve at a breakneck pace it s crucial for professionals to stay up to date with the latest tools and techniques to remain competitive in their field One of the key benefits of digital productivity is the ability to automate repetitive tasks By automating tasks such as data entry email management and social media posting professionals can free up valuable time to focus on more important tasks This not only improves efficiency but it also helps to reduce stress and burnout as professionals can spend more time on tasks that they enjoy and find fulfilling Organization is also a crucial component of digital productivity With the vast amounts of information and data available online it s essential to have a system in place to keep everything organized and easily accessible This can include tools such as cloud storage project management software and note taking apps In addition to these basic tools and strategies there are also a range of advanced techniques that can help professionals take their productivity to the next level For example batch processing involves grouping similar tasks

together and completing them all at once which can help to improve efficiency and reduce distractions Delegation and outsourcing are also valuable techniques allowing professionals to delegate tasks to others who are better suited to complete them or outsource tasks to experts who can complete them more quickly and efficiently One of the key benefits of digital productivity is the ability to work remotely With the rise of the gig economy and the increasing popularity of remote work it is becoming more important than ever for professionals to be able to work from anywhere By using tools such as video conferencing software cloud storage and project management software professionals

The Power of Virtual Distance
Karen Sobel Lojeski, Richard R. Reilly, 2020-04-06

This revised second edition presents 15 years of data on Virtual Distance metrics and their predictive impact on organizational success factors shedding new light on how to correct for communication challenges that often show up as a foggy set of digital disconnects where the vitality of the virtual workforce often gets lost in transmission This still evolving Digital Age conundrum continues to present new complications The rise of remote work which rests on an increasing reliance on electronic communication and the overall growth of virtual interactions has led to the escalation of a phenomenon called Virtual Distance Virtual Distance which influences our behavior through three components Physical Distance Operational Distance and Affinity Distance affects not only how we relate to others thousands of miles away but even to co workers sitting right next to each other Perhaps even more problematic Virtual Distance causes measureable malfunctions in teamwork innovation leader effectiveness and overall performance But it doesn't have to be this way The Power of Virtual Distance offers specific proven and predictable solutions that can reverse these trends and turn Virtual Distance into a unification strategy to capture untapped competitive advantage Surprised The Power of Virtual Distance 2nd Edition is a must read for leadership who want to understand the true and quantifiable costs of the virtual workplace For the first time ever readers can take the guesswork out of managing the virtual workforce by applying a mathematical approach derived from the extensive Virtual Distance data set The Virtual Distance Ratio The Virtual Distance Ratio can precisely pinpoint the particular impacts of Virtual Distance on the organization's critical success factors Beyond business metrics Virtual Distance solutions also detail ways to restore meaningfulness and well being into people's experience of work enhancing life lived in the Digital Age The Power of Virtual Distance reveals an updated set of data including the first award winning analysis collected from an extended range of executives to individual contributors that represent situations and solutions in more than 36 industries in 55 countries across the globe Readers will get a first look at the data and its revelations on how to be less isolated and more integrated Helping managers globally this book Offers new real world case studies and a chance for readers to participate in thought experiments to help with personal performance group synergy and by extension relationship dynamics of all kinds Demonstrates with statistically significant trend analyses that Virtual Distance is growing at exponential rates in every corner of communities worldwide Offers expert advice on how to manage the unintended human consequences of today's digital technologies Companies that successfully harness the

power of Virtual Distance demonstrate better performance The second edition of The Power of Virtual Distance is a valuable one of a kind resource for everyone from the C suite to human resource professionals from divisional leaders to project managers Everyone in the organization can benefit by discovering how to improve financials innovation trust employee engagement satisfaction organizational citizenship and other key performance indicators And perhaps best of all by following the prescriptions on how to reduce Virtual Distance the entire workforce will have the tools they need to bring about a revival of meaning purpose and an enlivened sense of humanhood back into everyday work and everyday life

How to Get Sh*t Things Done Rimaz Rauf,2022-12-04 Modern guide to get things done faster and smarter with digital tools and productivity systems You have 24 hours in a day but at the end of the day you find out you ve achieved nothing Maybe because you are easily distracted when working or you procrastinate a lot If you want to learn how to do your personal and work tasks in a fast and productive way then this book is for you The how to get sh t done book is for anyone who wants to make wise use of their time There are a lot of Productivity tips and tools provided in this book to help you be productive It s time to build your productivity system and stick to it It s time to achieve all your daily goals and work tasks with the help of productivity tools It s time to be productive
