The Killing Tree:

The Killing Tree Rachel Keener,2009-03-03 It s the summer after Mercy Heron graduates from high school and she s living in the household of her domineering grandfather and a grandmother whose behavior has always been erratic some folks even call it crazy They ve raised Mercy since her mother died giving birth to her under the June apple tree after Father Heron locked her out and ignored her pleas for help Mercy s days are spent working at the local diner and hanging out with her wild best friend Della Unlike Della she s never seriously considered leaving the insulated community on Crooked Top mountain Not until that summer when she meets Trout a man who opens Mercy s eyes to a world beyond what she s known both physically and emotionally Their relationship must be kept secret because Father Heron won t approve of his granddaughter being involved with a migrant worker But when Mercy tries to escape she ll learn just how powerful and ruthless her grandfather can be And the truth of her past will threaten to forever bind her to the mountain The Killing Tree Jay Bennett,1979 The Killing Tree J. D. Smith,2016-09-09 Refugee Lifeworlds Y-Dang Troeung,2022-08-29 Utilizing the concept of aphasia this book demonstrates how Cambodian refugee narratives resist state violence and take head on hegemonic discourses across popular and scholarly spaces that prop up colonial imperial capitalist heteropatriarchal and ableist formations of the Cold War in Cambodia Landbridge Y-Dang Troeung,2024-10-11 In 1980 Y Dang Troeung and her family were among the last of the 60 000 refugees from Cambodia that Canada agreed to admit Their landing was widely documented in newspapers with photographs of the prime minister shaking Troeung s father s hand and patting baby Y Dang s head Troeung became a literal poster child for the benevolence of the Canadian refugee project She returns to this moment forty years later in her arresting memoir Landbridge where she explores the tension between that public narrative of happy arrival and the multiple often hidden truths of what happened to her family In precise beautiful prose Troeung moves back and forth in time to tell stories about her parents and two brothers who lived through the Cambodian genocide about the lives of her grandparents and extended family about her own childhood in the refugee camps and in rural Ontario and eventually about her young son s illness and her own diagnosis with a terminal disease Throughout this brilliant and astonishing book Troeung looks with bracing clarity at refugee existence and dares to imagine a better future with love The Argonauts Maggie Nelson,2015-05-05 An intrepid voyage out to the frontiers of the latest thinking about love language and family Maggie Nelson s The Argonauts is a genre bending memoir a work of autotheory offering fresh fierce and timely thinking about desire identity and the limitations and possibilities of love and language It binds an account of Nelson s relationship with her partner and a journey to and through a pregnancy to a rigorous exploration of sexuality gender and family An insistence on radical individual freedom and the value of caretaking becomes the rallying cry for this thoughtful unabashed uncompromising book Redeeming Power Diane Langberg,2020-10-20 Power has a God given role in human relationships and institutions but it can lead to abuse when used in unhealthy ways Speaking into current MeToo

and ChurchToo conversations this book shows that the body of Christ desperately needs to understand the forms power takes how it is abused and how to respond to abuses of power Although many Christians want to prevent abuse in their churches and organizations they lack a deep and clear eyed understanding of how power actually works Internationally recognized psychologist Diane Langberg offers a clinical and theological framework for understanding how power operates the effects of the abuse of power and how power can be redeemed and restored to its proper God given place in relationships and institutions This book not only helps Christian leaders identify and resist abusive systems but also shows how they can use power to protect the vulnerable in their midst

Running on Empty Gregory S. Hudson, 2023-10-13 As the Lucas Twins serial killers secretly terrorize the lives of nearly 100 victims there are two victims that escaped One escaped certain death in 1979 and another escaped 40 years later Fate brings the two together as they realize their lives have been mentally and psychology ruined by the same people They embark on a journey to find their tormentors only to have many other secrets revealed The world of a supernatural being is discovered along with a bizarre ritual that keeps the twins hungry for more victims even as they reach their 70s Revenge is best served cold 40 years is definitely cold enough Now is the time for justice to be served
