The Scheme Of Things:

The Grand Scheme of Things Warona Jay, 2026-01-27 Two unlikely friends hatch an extraordinary scheme to expose the theater world in this layered hyperaware and as entertaining as it is incendiary Mateo Askaripour New York Times bestselling author debut novel exploring perception redemption and how success shapes us all American Fiction meets Queenie The Grand Scheme of Things skewers racism in the arts while humorously and honestly exploring the importance of community and what we'll do for love and success Jenna Clake author of Disturbance Meet Relebogile Naledi Mpho Moruakgomo Or for short Eddie an aspiring playwright who dreams of making it big in London's theater world But after repeated rejections Eddie suspects her non white sounding name might be the problem Enter Hugo Lawrence Smith good looking well connected charismatic and very white Stifled by his law degree and looking for a way out of the corporate world he finds a kindred spirit in Eddie after a chance encounter at a cafe Together they devise a plan one which will see Eddie's play on stage and Hugo's name in lights They send out her script under his name and vow to keep the play's origins a secret until it reaches critical levels of success Then they can expose the theater world for its racism and hollow clout chasing But as their plan spins wildly out of control Eddie and Hugo find themselves wondering if their reputations and their friendship can survive

The Scheme of Infidelity Ruined for Ever: Or the Deistical and Socinian Schemes Demonstrated to be Insufficient for the Happiness of Mankind ... Designed as a Supplement to Doctor Leland, Etc. [With Several Advertisements and Specimens of Forthcoming Works at the End.] John Collett RYLAND, 1770

The Complete Works of Thorstein Veblen: Economics Books, Business Essays & Political Articles Thorstein Veblen, 2023-11-20 The Complete Works of Thorstein Veblen is an anthology that brings together the rich tapestry of Veblen's contributions to economics sociology and political theory Through a unique blend of incisive critique and inventive theory Veblen explores the intricacies of capitalism consumer culture and social stratification His distinctive literary style characterized by sharp wit and a satirical tone challenges conventional economic thought while emphasizing the role of social institutions and cultural norms in shaping economic behavior The collection offers a comprehensive view of Veblen's innovative ideas including the concept of conspicuous consumption and the critique of pecuniary culture situating his work firmly within the context of late 19th and early 20th century American intellectual thought Thorstein Veblen 1857 1929 was an influential economist and social critic whose diverse background in both practical and theoretical disciplines informed his writings Raised in a rural Norwegian immigrant family in Wisconsin Veblen's early experiences with the agrarian economy and his education at Johns Hopkins University and the University of Chicago equipped him to challenge the existing economic paradigms His radical views on capitalism were influenced by the social changes of his time and his insights remain remarkably relevant in contemporary discussions of economic behavior This comprehensive collection is a must read for anyone interested in the intersection of economics and sociology providing invaluable insights into the nature of economic behavior and the social dynamics that

underpin it Scholars students and general readers alike will find Veblen s work both thought provoking and essential in understanding the contradictions and complexities of modern economic systems In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work s strengths Reflection questions inspire deeper contemplation of the author s overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes

The Roots of Evil John Kekes,2014-02-15 Evil is the most serious of our moral problems All over the world cruelty greed prejudice and fanaticism ruin the lives of countless victims Outrage provokes outrage Millions nurture seething hatred of real or imagined enemies revealing savage and destructive tendencies in human nature Understanding this challenges our optimistic illusions about the effectiveness of reason and morality in bettering human lives But abandoning these illusions is vitally important because they are obstacles to countering the threat of evil The aim of this book is to explain why people act in these ways and what can be done about it John KekesThe first part of this book is a detailed discussion of six horrible cases of evil the Albigenian Crusade of about 1210 Robespierre s Terror of 1793 94 Franz Stangl who commanded a Nazi death camp in 1943 44 the 1969 murders committed by Charles Manson and his family the dirty war conducted by the Argentinean military dictatorship of the late 1970s and the activities of a psychopath named John Allen who recorded reminiscences in 1975 John Kekes includes these examples not out of sensationalism but rather to underline the need to hold vividly in our minds just what evil is The second part shows why in Kekes s view explanations of evil inspired by Christianity and the Enlightenment fail to account for these cases and then provides an original explanation of evil in general and of these instances of it in particular
