Bryan, 2025-04-12 The remarkable discovery of the molecule nitric oxide or NO back in the early 1980s revolutionized vascular biology and the understanding of chronic disease This discovery was deemed so important a Nobel Prize in Medicine or Physiology was awarded in 1998 to three U S scientists responsible for its discovery Despite the recognition of the importance of nitric oxide medical science has been largely unsuccessful at developing safe and effective nitric oxide based therapies This is primarily due to the fact that Nitric Oxide is a gas that when produced is gone is less than one second One man and his discoveries have cracked the code on developing a solid dose form of nitric oxide gas as an oral delivery and also a dual chamber delivery for topical applications of nitric oxide gas This book will take the reader through the early life of Dr Bryan through his education and research that led to these important discoveries This personal journey will highlight the hurdles the failures disappointment and the persistence and confidence to continually move forward based on the belief that these discoveries would change the world This book will inspire motivate and encourage others to follow their dreams and not give up even when it seems the cards are stacked against you As Dr Nathan Bryan clearly points out there s one miracle molecule in your body that is largely responsible for your health and longevity NITRIC OXIDE Lou Ignarro 1998 Nobel Prize Winner in Physiology or Medicine Dr Bryan masterfully unveils the life changing potential of nitric oxide from its Nobel Prize winning discovery to its transformative role in health and disease Robert Lufkin M D NYT bestselling author of Lies I Taught In Medical School and medical school professor The Secret of Nitric Oxide by Dr Nathan Bryan may be one of the most important books that you will ever read Mark C Houston M D M S M Sc Director Hypertension Institute and Vascular Biology Saint Thomas Hospital I enthusiastically endorse this book and urge all who care about health and healthy longevity to read it and incorporate this knowledge into your life Felice Gersh M D Medical Director Integrative Medical Group of Irvine
