The Secret Dream:

Introducing You to Your Own Perfection Akash Sky,2023-03-31 *Introducing You to Your Own Perfection* is aimed at the reader who has an interest in transforming their self awareness to gain inner love peace and joy at every moment of their life Working with the world famous universal spiritual teaching called A Course in Miracles we become mindful of who we are Are you a body Are you an accumulation of experience and past thoughts Are you a person independent from everything and everyone in this world In this book self aware author Akash Sky continuously investigates the individual we think we are The conclusion is that as we dissolve our personal identity we arrive at a state of nothingness which is the beginning of pure existence This knowing unites us with love s presence and covers us in peace Sky shows us that through understanding what we are what our origin is and where we are now we can arrive back to our natural joyous state of mind by holy forgiveness with the higher self *Introducing You to Your Own Perfection* offers an open discussion about self realisation with enjoyable analogies presented throughout *The Fifth Disciple* Cynthia Bove,2011-11-16 This book correlates teachings from several profound texts namely the spiritual philosophy of A Course in Miracles and a rendition of The Gospel of Thomas a collection of Sayings from the time of Jesus The hidden keys unearthed from these combined resources will help us delve deeper into the metaphysical meanings of life and strive to answer universal spiritual questions that have eluded mankind s awareness for generations We will endeavor to understand our purpose in life and our reason for being Our aim is to methodically decipher how to draw closer to our Source and to understand how to overcome past obstacles that have prevented that joyous reunion from occurring As we embark upon the path of forgiveness our perceptions will change as to what we consider real and important We become joyfully reacquainted with a different Guide than we have traveled with in the past One who will smooth our way and make straight our path With these keys in hand we will gain the knowledge that enables us to see beyond form to the formless and unite once again with the flawless Vision that sees our True Self as it really is
