history after Franklin's death this work has become one of the most famous and influential examples of an autobiography ever written. Franklin's account of his life is divided into four parts reflecting the different periods at which he wrote them. There are actual breaks in the narrative between the first three parts but Part Three's narrative continues into Part Four without an authorial break only an editorial one. Part One of the Autobiography is addressed to Franklin's son William at that time 1771 Royal Governor of New Jersey While in England at the estate of the Bishop of St Asaph in Twyford Franklin now 65 years old begins by saying that it may be agreeable to his son to know some of the incidents of his father's life so with a week's uninterrupted leisure he is beginning to write them down for William. He starts with some anecdotes of his grandfather, uncles, father and mother. He deals with his childhood, his fondness for reading and his service as an apprentice to his brother James Franklin, a Boston printer and the publisher of the New England Courant. After improving his writing skills through study of the Spectator by Joseph Addison and Sir Richard Steele he writes an anonymous paper and slips it under the door of the printing house by night. Not knowing its author James and his friends praise the paper and it is published in the Courant which encourages Ben to produce more essays, the Silence Dogood essays which are also published. When Ben reveals his authorship James is angered thinking the recognition of his papers will make Ben too vain. James and Ben have frequent disputes and Ben seeks for a way to escape from working under James.

Autobiography of Benjamin Franklin Benjamin Franklin, 2016-09-05 Benjamin Franklin's Autobiography has received widespread praise both for its historical value as a record of an important early American and for its literary style. William Dean Howells in 1905 asserted that Franklin's is one of the greatest autobiographies in literature and towers over other autobiographies as Franklin towered over other men. The Autobiography has been recognized by most readers as a classic of literature and relating to the narrative voice of the author. In this work Franklin's persona comes alive and presents a man whose greatness does not keep him from being down to earth and approachable, who faces up to mistakes and blunders, errata he has committed in life and who presents personal success as something within the reach of anyone willing to work hard enough for it. *The Autobiography of Benjamin Franklin - 1896* Benjamin Franklin, 2006-01-01 The Autobiography of Benjamin Franklin has probably been more extensively read than any other American historical work and no other book of its kind has had such ups and downs of fortune. Franklin lived for many years in England where he was agent for Pennsylvania and other American colonies. He was separated from his family and it was during one of his long absences in 1771 that he determined to write an account of his life which had been an eventful one for his son William Franklin then about forty years old. William Franklin had been with his father in England as the first paragraph of the Autobiography shows and had been admitted to the bar there but finding favor at court had been appointed Governor of New Jersey and was in that position when Franklin was writing. He held to the royal cause and was thereby estranged from his father though before Benjamin Franklin's death they were partially reconciled.

Autobiography of Benjamin Franklin Benjamin Franklin, 2015-05-11 Autobiography of Benjamin Franklin Edited by Frank Woodworth Pine Complete New Edition A man of quality THE Americans devour eagerly any piece of writing that purports to tell us the secret of success in life yet how often we are disappointed to find nothing but commonplace statements or receipts that we know by heart but never follow Most of the life stories of our famous and successful men fail to inspire because they lack the human element that makes the record real and brings the story within our grasp While we are searching far and near for some Aladdin's Lamp to give coveted fortune there is ready at our hand if we will only reach out and take it like the charm in Milton's Comus Unknown and like esteemed and the dull swain Treads on it daily with his clouded shoon the interesting human and vividly told story of one of the wisest and most useful lives in our own history and perhaps in any history In Franklin's Autobiography is offered not so much a ready made formula for success as the companionship of a real flesh and blood man of extraordinary mind and quality whose daily walk and conversation will help us to meet our own difficulties much as does the example of a wise and strong friend While we are fascinated by the story we absorb the human experience through which a strong and helpful character is building **The Autobiography of Benjamin Franklin** Louis P. BENJAMIN FRANKLIN - Autobiography Benjamin Franklin, 2024-02-26

In this inspiring autobiography Benjamin Franklin not only recounts a significant portion of his beautiful and successful life but also shares his personal formula for success

Franklin advocated sacrifice hard work thrift frugality and continuous education as determinants for individual and collective prosperity Franklin's basic idea that no matter who you are with hard work and thrift you can achieve prosperity and greatness fully embodies the American dream For all those involved in business development or collective projects reading this ebook is highly recommended Franklin tells us how he created and encouraged numerous enterprises in his city Philadelphia in the then colony of Pennsylvania and in his country Just to name a few of the enterprises initiated by him the first library the first book club the first militia the first hospital in Philadelphia and often in the United States Franklin was the epitome of an honest upright and competent entrepreneur in both public administration and in the private management of his printing press and newspaper Benjamin Franklin will forever be a great example of a citizen entrepreneur and public figure

The Americanization of Benjamin Franklin Gordon S. Wood, 2005-05-31 I cannot remember ever reading a work of history and biography that is quite so fluent so perfectly composed and balanced The New York Sun Exceptionally rich perspective on one of the most accomplished complex and unpredictable Americans of his own time or any other The Washington Post Book World From the most respected chronicler of the early days of the Republic and winner of both the Pulitzer and Bancroft prizes comes a landmark work that rescues Benjamin Franklin from a mythology that has blinded generations of Americans to the man he really was and makes sense of aspects of his life and career that would have otherwise remained mysterious In place of the genial polymath self improver and quintessential American Gordon S Wood reveals a figure much more ambiguous and complex and much more interesting Charting the passage of Franklin's life and reputation from relative popular indifference his death while the occasion for mass mourning in France was widely ignored in America to posthumous glory The Americanization of Benjamin Franklin sheds invaluable light on the emergence of our country's idea of itself

The Abridged Autobiography of Benjamin Franklin Daniel V Runyon Ph D, 2014-07-04 Benjamin Franklin shaped American journalism civic life economics and politics by his example as a publisher editor writer business leader and statesman Every American should read the story he wrote of his own life And now they can for this edition of his autobiography tells his entire story in his own words just with fewer words and shorter sentences His 75 000 word manuscript is boiled down to 53 000 words in this digest so you get all the calories with 29% less chewing You will smile cry laugh or wince on almost every page at his humor pathos wit and profound insight into human thought and behavior Daniel V Runyon Ph D is Professor of English and Communication at Spring Arbor University in Michigan He produced this book for the benefit of his writing students as well as for anyone who enjoys learning about people and events that shaped western civilization
