stalemate Fight or flight offers the option of going into battle or waving the white flag of surrender yielding merely a winner and a loser with no resolution According to Dr Hendrie Weisinger in the introduction of his book The Positive Power of Criticism the Greek concept of criticism is to serve as a neutral objective appraisal of ideas and actions Criticism can be regarded as a judgment evaluation or an appraisal intended to improve or advance leading to new resources and skills For this to be so requires moving away from the attitude and belief that ones own presuppositions perceptions and biases are absolute and correct   *Paint People in Acrylic with Lee Hammond* Lee Hammond,2006-11-01 Finally a portrait drawing book that s head and shoulders above the rest Paint People in Acrylic With Lee Hammond You are this close to buying the perfect book for first time people painters This fantastic book combines the easy to use medium of acrylic paints with beginner friendly instruction designed to help you achieve realistic likenesses With Lee Hammond s simple step by step approach you ll learn how to start with a basic foundation of color then add layer after layer gradually building towards a likeness Sound easy It is A whopping 50 step by step demonstrations teach you basic techniques how to paint individual facial features and ultimately how to accurately portray subjects of every age complexion and ethnicity Ten start to finish portrait demos bring it all together Along the way Lee shares her best tips from her 20 years of teaching experience what colors to mix to get skin an easy trick for adding a hint of color to cheeks what makes a good background and expert advice on Painting notoriously tricky elements like eyes ears teeth hair and clothing Capturing the look of age and the glow of youth Working from a reference photo Using the grid technique to simplify portraits and create an accurate preliminary sketch Even if you ve never before painted in acrylics this book will give you a great head start on the fun art of painting people
