that most of them now have Wikipedia pages I first made a list of links Wanting to take this further I first looked to focus on novels and short story writers but this category started to break up as many writers wrote in many idioms producing fact fiction poetry plays screenwriting and journalism I decided on an arbitrary cut off point of writers born before 1962 When I first made the list I was thinking how few working class women novelists had been published in this period But then the lists of books by each author started to stack up and there s plenty to read and much that I missed even really hearing about Of course it focuses on the most successful others who produced a community published autobiography or self published novel did not get a Wikipedia page and they should really be included every life counts Others only published an autobiography perhaps in the last years of life but were extraordinary writers and people We could also discuss discuss the genre snobbery in literary circles that puts crime young peoples literature romantic and fantasy fiction and perhaps historical based narratives in a lower category than the novel *Best Sellers* ,1985 [American Bookseller](#) ,1987 *Kate Hannigan* Catherine Cookson,2011-07-05 The first novel from the international bestselling master of romance Catherine Cookson introduces her most charismatic heroine in this timeless tribute to romantic love during England s Edwardian era The moment he lays eyes on Kate Dr Rodney Prince is enchanted Despite her poverty it s clear that she exudes warmth and intelligence His own wife living in the oblivion of velvet cushions and lavish dinner parties seems crude by comparison Though they meet only briefly Kate leaves an indelible mark upon his mind Rodney knows that Kate s spirit has suffered at the hands of men Her father an embittered dock worker directed his violent rages toward Kate and her mother At eighteen Kate fell victim to a smooth talking seducer and became the unwed mother of a child Such circumstances only deepen Rodney s desire to rescue Kate and overturn the codes of a society that serve to keep them apart As he unintentionally wins over the heart of Kate s fatherless daughter he and Kate begin to acknowledge that the gap between rich and poor might not be so great after all *The Desert Crop* Catherine Cookson,1998 Moira comes to Fellburn England in the 1880s to marry a widower farmer named Hector Stewart Her relationship with Stewart s children Daniel and Pattie becomes warmer as Hector becomes more distant and abusive **Not My Own** Ethel Matson ,1949 *Cosmopolitan* ,1985-07
