Christian Nationalism and the Paradox of Secularism Andrew Fiala,2025-05-08 Christian nationalism is a backlash against the success of secularism and the growth of nonreligion Its proponents go so far as to claim that secularism is diabolical This rejection of secularism poses a significant challenge for secular systems which aim to be inclusive of diverse religious ideas This book explains the depth of this challenge while recounting the views of Christian nationalists including Donald Trump It shows how key figures in the American tradition Adams Jefferson Madison and others promoted political secularism It uses Christian theology and modern political philosophy to argue in defence of secularism and against Christian nationalism *Pacific Christian Advocate* ,1904 *The Life of Christ* William Hanna,1863

New Websterian 1912 Dictionary Noah Webster,1912 *The Kingdom of God and Primitive Christianity* Albert Schweitzer,1968 This is the final theological testament of one of the great minds of the 20th century Dr Schweitzer restates and summarizes the revolutionary views developed in his earlier works But this book is intended for a wider public to whom it brings the mature reflections of an old man dwelling in the loneliness of the primeval forest with the text of the Bible and little else before him seeking to lead the reader into the presence of Jesus Dr Schweitzer presents a survey of the biblical belief in the Kingdom of God from its earliest development in Israel through the period of Primitive Christianity from Amos to Paul Previously Schweitzer had developed his views in works of technical theology but here he presents a book which is purely expository and not polemical of interest and value to every student of the Bible At the same time he provides the specialist with the first comprehensive survey of his theological thought Adapted from publisher description [The Abcs to Praising and Worshipping God](#) Debra Robinson,2023-01-19 Debra Robinson grew up in a world with little love and she had no idea what love really was She experienced a critical condemning and heartbreaking childhood coming close to committing suicide God transformed her life and helped her overcome that early trauma giving her hope and purpose In The ABCs to Praising and Worshipping God she shares parts of her life story telling how God performed many miracles throughout the years Robinson journeys through the alphabet and showcases verses that praise and worship God From A to Z this collection features more than 2 450 verses and 38 translations of God s word In this compilation Robinson details how through
