The Last Emperor:

The Last Emperor Jackie Gaff, Jeremy Smith, 2003 A biography of Puyi the last emperor of China s Qing dynasty The Last Manchu Henry Pu Yi, 2010-03-01 In 1908 at the age of two Henry Pu Yi ascended to become the last emperor of the centuries old Manchu dynasty After revolutionaries forced Pu Yi to abdicate in 1911 the young emperor lived for thirteen years in Peking s Forbidden City but with none of the power his birth afforded him The remainder of Pu Yi s life was lived out in a topsy turvy fashion fleeing from a Chinese warlord becoming head of a Japanese puppet state being confined to a Russian prison in Siberia and enduring taxing labor The Last Manchu is a unique enthralling record of China s most turbulent dramatic years The Living Rulers of Mankind Henry Neville Hutchinson, 1902 **The International Library of Famous Literature** Richard Garnett, Léon Vallée, Alois Brandl, Donald Grant Mitchell, 1899 **The Last Emperor of China** Paul French, 2026-08-25 New York Times bestselling author Paul French tells the extraordinary story of the last Emperor of China and the final two years during which he and his court occupied Peking s secretive Forbidden City A king without a crown a ruler without a people a monarch without a realm In the early 1920s the former Emperor of China Puyi and his Empress Wanrong were sequestered inside Peking s ancient Forbidden City Surrounded by scheming courtiers fawning servants and corrupt eunuchs Puyi did not know from one day to the next whether he would experience restoration expulsion or assassination The Last Emperor of China delves into the final years of the Manchu Dynasty beginning with China s last royal wedding Contrary to established belief this was not a loveless marriage between an impotent Emperor and a neglected Empress Paul French calls upon previously unpublished letters from the Emperor s tutor and the diary of Wanrong s English teacher her closest companion These sources shed an entirely new light on the final days of China s last dynasty before the imperial court s brutal expulsion revealing a loving relationship and an Emperor attempting to assert control of the Forbidden City More than just the tale of the royal couple The Last Emperor of China is also the story of the ancient citadel itself the Forbidden City It was a haven prohibited to all except the imperial family and their court It survived looting conflagration and bombardment A redoubt of the old dynasty the Forbidden City was perhaps the greatest symbol of constancy and power in China as it remains today **The Last Emperor** Edward Behr, 1987 *The New Larned History for Ready Reference, Reading and Research* Josephus Nelson Larned, 1923 **The Golden Book of India.
