The Last Giants:

The Last Giants François Place,2005 In a Rundown waterfront market an English explorer and top hatted dandy named Archibald Leopold Ruthmore discovers a remarkable object a human molar the size of a fist Deeply incised like scrimshaw the tooth yields up its secrets slowly at last its markings prove to be a map to the Land of the Giants So in September 1849 Ruthmore begins his voyage from Liverpool to Burma the first leg of the adventure of a lifetime an unprecedented trip up the Black River through a rainforest full of headhunters and into the valley of a race of gentle sweet tempered colossi The giants care for Ruthmore as they might a child There are only nine of them each thousands of years old They are covered from head to foot with a dizzying maze of complex lines curves spirals and speckles These are not tattoos but images that appear on their skin spontaneously illustrating their experience of trees plants animals rivers oceans stars and each other These stylized images are their wordless idiomatic language thoughts made flesh After ten months among the giants Ruthmore begins the long trip home to England his notebooks full of drawings and observations Then he makes a tragic mistake he publishes an account of his travels and unwittingly brings about the giants destruction The Last Giants is a moral tale a parable about the often painful and exploitative consequences of the encounter between the advanced and the primitive But this is no strident op ed piece dressed up as a children s picture book This is a hauntingly beautiful work of art by one of France s most sophisticated and subtle graphic storytellers

The Giant's Captive Lidiya Foxglove,2021-08-31 Did you come here to seduce me little mite I think you leave me no choice but to teach you a lesson I m the tallest unmarried girl in my village and also taller than all the boys This did nothing for my prospects of finding love So instead I went off to seek my fortune It led me to a circus by the sea and rumors of the last living giant Apparently he doesn t much care for people but the ringmaster offers me riches beyond my dreams if I can entice him to come down from his home in the forest Well it was fortune I was seeking and fortune I m determined to find so I climb the magic beanstalk to his hidden home but the giant is not amused by my plan At all And it turns out his home is one big trap of faery vines I m snared by an antisocial but surprisingly handsome giant and for the first time in my life I ve met a man who makes me feel delicate He might want to punish me for trespassing but it feels more like passion Only the world isn t safe for the last giant and maybe it s not safe for a woman who loves him either The Giant s Captive is an adult fairy tale retelling of Jack and the Beanstalk for those who like an adorable happily ever after fantasy romance with a side of serious steaminess

Satan's Super Soldiers Barry Blackstone,2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan s plan to corrupt man stop the coming of the Messiah and resist the Hebrews from

possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31
