The Last Good Time:

Boardwalk of Dreams Bryant Simon, 2004-07-29 During the first half of the twentieth century Atlantic City was the nation's most popular middle class resort the home of the famed Boardwalk the Miss America Pageant and the board game Monopoly By the late 1960s it had become a symbol of urban decay and blight compared by journalists to bombed out Dresden and war torn Beirut Several decades and a dozen casinos later Atlantic City is again one of America's most popular tourist spots with thirty five million visitors a year Yet most stay for a mere six hours and the highway has replaced the Boardwalk as the city's most important thoroughfare Today the city doesn't have a single movie theater and its one supermarket is a virtual fortress protected by metal detectors and security guards In this wide ranging book Bryant Simon does far more than tell a nostalgic tale of Atlantic City's rise near death and reincarnation He turns the depiction of middle class vacationers into a revealing discussion of the boundaries of public space in urban America In the past he argues the public was never really about democracy but about exclusion During Atlantic City's heyday African Americans were kept off the Boardwalk and away from the beaches The overly boisterous or improperly dressed were kept out of theaters and hotel lobbies by uniformed ushers and police The creation of Atlantic City as the Nation's Playground was dependent on keeping undesirables out of view unless they were pushing tourists down the Boardwalk on rickshaw like rolling chairs or shimmying in smoky nightclubs Desegregation overturned this racial balance in the mid 1960s making the city's public spaces more open and democratic too open and democratic for many middle class Americans who fled to suburbs and suburban style resorts like Disneyworld With the opening of the first casino in 1978 the urban balance once again shifted creating twelve separate heavily guarded glittering casinos worlds walled off from the dilapidated houses boarded up businesses and lots razed for redevelopment that never came Tourists are deliberately kept away from the city's grim reality and its predominantly poor African American residents Despite ten of thousands of buses and cars rolling into every day gambling has not saved Atlantic City or returned it to its glory days Simon's moving narrative of Atlantic City's past points to the troubling fate of urban America and the nation's cultural trajectory in the twentieth century with broad implications for those interested in urban studies sociology planning architecture and history [The Literary Filmography](#) Leonard

Mustazza, 2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens's *A Christmas Carol* and Hawthorne's *The Scarlet Letter* were adapted to film in the silent era as were such books as Thomas Dixon's Jr's *The Klansman* basis for the film *Birth of a Nation* In recent years Nick Hornsby's *About a Boy* and each of Helen Fielding's *Bridget Jones's Diary* novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles

Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptations of the work, including adaptation titles, director, screenwriter, principal cast, and the names of the characters they portray, major awards, and availability in the most common formats (DVD, VHS) is also offered.

The Ones That Got Away Suanne Laqueur, 2016-07-07. Plenty of fish in the sea. But none like the ones that got away. Author Suanne Laqueur gives her readers an intimate guided tour of the award-winning novel *The Man I Love*. From the embryonic chapters written over twenty years ago to scenes cut from the final draft, you'll witness the crafting of an emotional journey and the evolution of the beloved characters within *The Fish Tales*. The Sound of Musicals Steven Cohan, 2017-10-07. Despite having had its obituary written many times, the movie musical remains a flourishing twenty-first-century form, and as this volume demonstrates, one that exists far beyond the confines of Broadway and Hollywood. *The Sound of Musicals* examines the film's stars, issues, and traditions of the genre from the 1930s to the present day. Featuring sixteen original essays by leading international scholars, this illuminating collection addresses the complex history and global variety of the movie musical and considers the delight and passionate engagement that musicals continue to inspire in audiences around the world. The contributors address key issues for understanding the movie musical: questions of genre and generic traditions, questions of history bringing fresh perspectives to a consideration of Classical Hollywood musicals and the musical beyond Hollywood, looking at alternatives to the Hollywood model from the New Hollywood and American independent cinema to Bollywood and other national musical traditions. Individual chapters consider key musical stars such as Frank Sinatra, Julie Andrews, and Barbra Streisand; film makers including Robert Altman and Christophe Honor; and classic musicals such as *South Pacific* (1958) and *Hairspray* (1988). In his introduction to the volume, Steven Cohan addresses the significance and enduring appeal of this multi-faceted genre and considers its recent renaissance with movies such as the *High School Musical* franchise and the success of the television series *Glee*.
