The Last Innocent Man:

The Last Innocent Man Phillip Margolin,2009-10-06 Defense attorney David Nash has made a career out of setting monsters free and no one does it better Now a case has come to The Ice Man that could help cleanse Nash of the guilt and doubts that torment him that rarest of all defendants an innocent man A fellow lawyer has been accused of a heinous crime the brutal murder of an undercover vice cop But the case that is supposed to be Nash s redemption could prove to be his downfall dragging him into a dark and sinister world where lies and the truth are interchangeable where the manipulator becomes the manipulated and where every answer spawns more complex and terrifying questions And as the shadows close in around him the final question that remains for David Nash concerns his own fate life or death [The Last Innocent Man](#) Phillip M. MARGOLIN,1997 [The Burning Man](#) Phillip Margolin,2011-11-23 From bestselling author Phillip Margolin a fast paced legal thriller packed with page turning suspense Peter Hale is a young attorney struggling to make his own mark in his father s venerable law firm when he is presented with the opportunity of a lifetime During the trial of a multimillion dollar case Peter s father the lead counsel suffers a heart attack and asks Peter to move for a mistrial until he s feeling better Peter decides this is his only chance to prove to his father that he is the terrific lawyer he knows himself to be and he chooses to carry on with the case against his father s wishes In his zeal to prove himself Peter neglects his client and ends up losing everything the case his job and his father Unemployed and disinherited Peter takes the only job he is offered that of a public defender in a small Oregon town He hopes that if he can make good there he can reinstate himself in his father s good graces But his ambition again gets the best of him when he takes on a death penalty case representing a mentally retarded man accused of the brutal hatchet murder of a college coed He s in way over his head and it s only when Peter realizes that his greed and his ego may end up killing his client that he begins to understand what it really takes to be a good lawyer and to become a man [The Associate; The Last Innocent Man](#) Phillip Margolin,2004-04 **Encyclopedia of Television Film Directors** Jerry Roberts,2009-06-05 From live productions of the 1950s like Requiem for a Heavyweight to big budget mini series like Band of Brothers long form television programs have been helmed by some of the most creative and accomplished names in directing Encyclopedia of Television Film Directors brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium [Faith in The West Wing](#) David W. in polite company However Aaron Sorkin and the producers of the award winning television series *The West Wing* NBC 1999 2006 didn't seem to get the memo Still popular and surprisingly relevant several years after its final episode this primetime dramatization of a fictional presidential administration regularly incorporated religious rhetoric perspectives and practices in its characters and storylines With episodes featuring such explicitly religious titles as *Take This Sabbath Day Faith Based Initiative* and *In God We Trust* and with characters with such biblically based names as Josiah Josh Toby Abbey and Sam the series took thoughtful religious faith seriously and implied that spirituality can serve as a vital component of civic virtue While by no means an exhaustive examination of all seven seasons this collection of essays explores some of the more prominent portrayals of religious faith and practice throughout the series to prompt and guide the readers own reflections and observations Discussion questions are also provided at the end of each chapter for use in watch parties and other small group gatherings

The Associate; The Last Innocent Man Phillip Margolin,2004 *THE ASSOCIATE* Daniel Ames is living the American dream having overcome poverty and deprivation to become an associate at a prestigious law firm Then he is accused of professional incompetence and fired Twelve hours later the man who fired him is murdered As he sets out to clear his name it seems that he may be forced to sacrifice his own life to salvage his professional reputation *THE LAST INNOCENT MAN* Most of David Nash's clients are guilty some are monsters but he is practically unbeatable in the courtroom Then he takes on the defence of a man accused of murder but whose innocence he can actually believe in As the case moves towards trial he becomes aware that he the master of subtle chicanery is being manipulated himself But by whom As his perfect case moves to a conclusion the answer to that question becomes a matter of life and death

The Doctrine of Endless Punishment William Greenough Thayer Shedd,1886 At the request of the editor of the *North American Review* the author of this book prepared an argument in defense of the doctrine of Endless Punishment which was published in the number of that periodical for February 1885 It was agreed that the writer should have the right to republish it at a future time Only the rational argument was presented in the article The author now reproduces it adding the biblical argument and a brief historical sketch Every doctrine has its day to be attacked and defended Just now that of Eternal Retribution is strenuously combated not only outside of the church but to some extent within it Whoever preaches it is said by some not to preach to the times As if the sin of this time were privileged and stood in a different relation to the law and

judgment of God from that of other times Neither the Christian ministry nor the Christian church are responsible for the doctrine of Eternal Perdition It is given in charge to the ministry and to the church by the Lord Christ himself in his last commission as a truth to be preached to every creature Speaking generally those who believe that there is a hell and intelligently fear it as they are commanded to do by Christ himself will escape it and those who deny that there is a hell and ridicule it will fall into it Hence the minister of Christ must be as plain as Christ as solemn as Christ and as tender as Christ in the announcement of this fearful truth Preface
