## **The Last Refuge:**

The Holy Warrior: Osama Bin Laden and His Jihadi Journey in the Soviet-Afghan War Reagan Fancher, 2023-10-10 Fought between 1979 and 1989 the Soviet Afghan War provided vital combat experience for Osama bin Laden and his senior lieutenants in al Qaeda allowing them to hone their newly acquired skills in guerrilla warfare to later support Islamist insurgencies worldwide Yet the ruthless al Qaeda chief s success depended on the Soviet leadership s reluctant prolonging of its military occupation out of fear of leaving Afghanistan in hostile hands As relative latecomers to the ferocious Afghan frontlines the inexperienced Arab fighters benefitted militarily from the combat training unwittingly provided by their Soviet foes After skillfully obtaining this command and battle experience by working within the wartime atmosphere bin Laden channeled al Qaeda s efforts in a global jihadi campaign targeting a second superpower and its allies While allegations of U S support for the Arab jihadis have contributed to a popular image of bin Laden and al Qaeda as CIA creations the historical facts appear to demonstrate that the combat opportunities provided by the Soviet occupation forces played a far larger role in transforming them into seasoned guerrilla fighters In this second edition Reagan Fancher updates and expands his monograph in an Afterword elaborating on the contemporary U S U K perceptions of bin Laden s wartime actions and their results as he applied his battle honed guerrilla tactics judo skills and recruitment capabilities in tactically helping Yemen s anti communist Salafi guerrillas to emerge victoriously in their country s 1994 Civil War before concluding with an assessment of the founding al Qaeda leader s impact on history It offers an opportunity for today s decision makers to learn from history and avoid creating new generations of Osama bin Ladens

**With Us and Against Us** Stephen Tankel, 2018-05-22 In the wake of the September 11 attacks President George W Bush drew a line in the sand saying Either you are with us or you are with the terrorists Since 9 11 many counterterrorism partners have been both with and against the United States helping it in some areas and hindering it in others This has been especially true in the Middle East Africa and South Asia where the terrorist groups that threaten America are most concentrated Because so many aspects of U S counterterrorism strategy are dependent on international cooperation the United States has little choice but to work with other countries Making the most of these partnerships is fundamental to the success of the War on Terror Yet what the United States can reasonably expect from its counterterrorism partners and how to get more out of them remain too little understood In *With Us and Against Us* Stephen Tankel analyzes the factors that shape counterterrorism cooperation examining the ways partner nations aid international efforts as well as the ways they encumber and impede effective action He considers the changing nature of counterterrorism exploring how counterterrorism efforts after 9 11 critically differ both from those that existed beforehand and from traditional alliances Focusing on U S partnerships with Algeria Egypt Mali Pakistan Saudi Arabia and Yemen against al Qaeda ISIS and other terrorist organizations Tankel offers nuanced propositions about what the U S can expect from its counterterrorism partners depending on their political and

security interests threat perceptions and their relationships with the United States and with the terrorists in question With Us and Against Us offers a theoretically rich and policy relevant toolkit for assessing and improving counterterrorism cooperation devising strategies for mitigating risks and getting the most out of difficult partnerships **Aging in**
