## The Last Witness:

The Last Witness M. M. Myers, 2025-11-21      Cobbett's complete collection of state trials and proceedings... Thomas Bayly Howell, 1813      Reports from Committees Great Britain. Parliament. House of Commons, 1808      Cinema under National Reconstruction Hye Seung Chung, 2024-11-15 Cinema under National Reconstruction calls for a revisionist understanding of state film censorship during successive Cold War military regimes in South Korea 1961 1988 Drawing upon primary documents from the Korean Film Archive's digitized database and framing South Korean film censorship from a transnational perspective Hye Seung Chung makes the case that while political oppression repression existed inside and outside the film industry during this period film censorship was not simply a tool for authoritarian dictatorship Through such case studies as Yu Hyun mok's The Stray Bullet 1961 Ha Kil jong's The March of the Fools 1975 and Yi Chang ho's Declaration of Fools 1983 the author defines censorship as a dialogical process of cultural negotiations wherein the state the film industry and the public fight out a battle over the definitions and functions of national cinema In the context of Cold War Korea one cannot fully understand or construct film history without reassessing censorship as a productive feedback system where both state regulators and filmmakers played active roles in shaping the new narrative or sentiment of the nation on the big screen      New York Supreme Court ,1936      New Baptist Miscellany ,1832      Records & Briefs New York State Appellate Division ,      Accounts and Papers Great Britain.
