*Second Thoughts about the Second Coming* Joe Reeves,2011-10 In the book *Second Thoughts About The Second Coming* teacher author and systems engineer Joe Reeves deals with many aspects of the idea of Jesus second coming that are seldom considered by modern Christians but he does so from the standpoint of asking several critical questions The basic questions he asks and answers in this book are can a book of scripture at some later date come to mean what it never meant Can a scriptural text at a later date come to mean what the author obviously did not intend it to mean to those of his original envisioned recipients to whom he wrote and a meaning that the first recipients simply would not have understood Then based on those answers he asks and answers several questions about Jesus resurrection His resurrected nature and His ascension Then based on the biblical answers to those questions asks and answers the question about whether or not Jesus and the biblical writers predicted a second coming Using those questions and the question of specifically what would those first century Christians have understood about what modern interpreters call Jesus second coming as the basis for study Joe uses his training and experience in systems thinking Bible history cultural anthropology and logic and philosophical realism to formulate a system of thinking that challenges many of the modern assumptions upon which the four most common doctrines about Jesus second coming are based For the person who wishes to learn more about how the first Christians would have used and understood the writings they received about Jesus and His life after His resurrection this book is a must read

**Christ's Second Coming** David Brown,1868 [The Certainty of the Second Coming](#) Ernest Edward Zinke,2000 The Second Coming of Jesus is the capstone of Scripture But how does it relate to other teachings of the Bible In what way are doctrines that launched the Protestant Reformation foundational to the certainty of the Advent Ed Zinke connects the dots to reveal not only a coherent system of truth we can trust but a reliable God we can love He shows that doctrine is not an end in itself but a means of understanding the One who is coming for us This is a full message book Foreword Introduction

Hogue,2011-12-12 The overarching theme of this book is that the Second Coming of Jesus happened in AD 72 and that therefore Jesus is not coming again to rapture the church The book lays out a thorough exploration in support of this theme Daniels prophecies are foundational especially his prophecy of the Seventy Weeks in Dan 9 24 27 and his prophecy of four sequential Fertile Crescent Mediterranean empires see Dan 7 The Fourth Empire or the Roman Empire is the key to understanding my theme with stress on the meaning of the horns on the head of the Fourth Beast see Dan 7 7 8 As proof of my theme I use the Biblical code of two or three witnesses see e g Deut 19 15 Matt 18 16 John 8 17 and I John 5 8 The three witnesses I give are Daniel Jesus and the collective apostles all of whom taught and agreed that Jesus Second Coming would take place before Jesus generation passed away Matt 24 34 Furthermore I show how the epistles of the N T reflect this theme by citing scores of passages from them for my readers to consider Finally in Chapter Five of the book and in five appendixes I show how the Book of Revelation aptly interpreted fully agrees with this theme **Come, Lord Jesus!** Stephen Motyer,2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the

second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer s comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God s future for his world

**Have We Missed the Second Coming?** Kenneth L. Gentry, 2016-07-19 A new and growing aberration in evangelical prophecy circles is the view that the Second Coming of Christ occurred at the destruction of the Jewish Temple in AD 70 Many Christians are being confused because of the similar language used in Scripture to refer to Jesus s return at the end of history which also applies to the temple s destruction This new movement has developed a cult like zeal and is causing trouble in many local churches and confusion among numerous Christians This book demonstrates the error of the Hyperpreterist viewpoint This error teaches that 1 Christ returned at the judgment of the temple 2 the resurrection occurred at that time and there is no future bodily resurrection 3 that AD 70 was the Final Judgment spoken of by Christ and the Apostles and 4 that history will never end

**The Second Coming** John MacArthur, 2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again Yet God s own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ s longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ s return as well as a certainty about how to live expectantly until He comes again

*Why I Preach the Second Coming* Isaac Massey Haldeman,2020-03-16 In *Why I Preach the Second Coming* Isaac Massey Haldeman presents a compelling exploration of Christian eschatology emphasizing the theological importance of the Second Coming of Christ Written in a didactic tone Haldeman employs a blend of scriptural exegesis and personal conviction to argue for the urgency of this doctrine in contemporary faith practice The book reflects the early 20th century evangelical milieu amidst a backdrop of social upheaval where Haldeman seeks to reaffirm the hope and promise of divine intervention in a fractious world Isaac Massey Haldeman was a prominent figure in the early fundamentalist movement and serves as pastor of the famous New York City Church as well as a key speaker at various religious gatherings Influenced by both the socio political dynamics of his time and the theological controversies that shaped early 20th century American Christianity Haldeman s work emphasizes the centrality of the Second Coming in the believer s journey offering both pastoral care and eschatological insight to his readers For anyone grappling with the themes of hope and redemption in a time of uncertainty *Why I Preach the Second Coming* serves as a significant and thought provoking resource Haldeman s passionate advocacy for this essential tenet of faith invites believers and seekers alike to reflect deeply on the implications of Christ s return making it a must read for those interested in biblical prophecy and its application today
