The Second Jewel Of Earth:

The Second Jewel of Earth James W. Greenhalge, 2003-12-11 So much collected wisdom and still no answers observed a very familiar male voice behind him The hair on the back of his neck rose No it couldn't be That was yesterday in another reality He shivered involuntarily hoping he was wrong about the voice The traveling begins again The Second Jewel of Earth follows the continuing story of a solitary man swept up in a fantastic battle to save his world But is it really his world Centaurs trolls and animal headed human compromises inhabit this strange new reality with malevolent enemies bent on his destruction And the pendant about his neck glows with the presence of the First Jewel a blood red reminder that the King he serves is more fearsome than his enemies Sequel to his popular novel The First Jewel of Earth the author takes you on yet another journey to the distant past as the Traveler searches for the second jewel to his incredible pendant This series surveys Biblical prophesy and ancient history revealing the origins of a supernatural war whose decisive battle is being fought today

As you join in this adventure you will never travel alone Come enjoy your journey The Third Jewel of Earth is expected in late 2004

The Fifth Jewel of Earth James W. Greenhalge, 2014-10-21 Then quietly the Counselor continued Your traveling is needed again The pendant you wear was purchased at an awesome price That much is finished And no principality or power in heaven or on earth can undo that accomplishment The bridge has been rebuilt and the path has been thrown open Now you must complete your traveling in fear and trembling Salvation is between you and the King but working out your salvation is between you and Me Wisdom has been given to allow you to see the plan Knowledge to understand the circumstances and Belief in the Plan to strengthen you for the long hard journey Choosing life here the Counselor hesitated touched again by the inestimable cost of that horrific sacrifice provides you with an inerrant compass toward home Now I need you to acquire Right Standing the privilege to face the Creator in His throne room He is perfection itself chosen mortal and all imperfection will be consumed by His righteous indignation Your best efforts will not be enough Not enough The last sentence echoed down the corridor Your best efforts will not be enough How was he to acquire something which his best efforts could not attain How do you acquire the unattainable Fifth in the Jewels of Earth collection the continued fighting in the forever war has already cost the king His life and the Traveler narrowly escaped with his own To return to the fluid battlefield of time is dangerous enough but the enemy is attempting to alter the timeline and the forces of the Cabala are taking matters into their own hands Failure forfeits the future Yet even if he succeeds the Traveler risks never being able to return home His journey is yours Join the resistance There is a jewel waiting for you

The Third Jewel of Earth James W. Greenhalge, 2005-11-10 It is a love story a wedding feast with all of the guests absent without cause It is a mathematical equation thrown into chaos by disruptive variables but struggling to return to symmetry He leaned forward in his chair for emphasis It is war Everyone play everyone travel everything that is good and perfect about this life for all eternity is at stake and the winner takes all The traveling continues The Third Jewel of Earth follows the ongoing journal of a solitary man

swept up into a fantastic battle to save his world But is it really his world Centaurs trolls and animal headed human compromises inhabit this strange new reality with malevolent eternal enemies bent upon his destruction And the pendant about his neck glows with the presence of the first two Jewels Shouldnt Wisdom and Knowledge be enough Sequel to his popular novels The First and Second Jewels of Earth the author takes you on another journey to the distant past surveying Biblical prophesy ancient history and your future The Flaming Sword, and Other Legends of the Earth and Sky Edith Ogden Harrison,1908 *The Complete Guide to Middle-earth: The Definitive Guide to the World of J.R.R.
