Official Records, 1974 *Seeds of Racism in the Soul of America* Paul R. Griffin, 1999 White liberals once marched arm in arm with black activists during the civil rights era Since the 1970s however cooperation has dwindled Why Paul Griffin believes it is because some Northern white liberals still carry the seeds of racism His book examines how pious New England Puritans sought to explain the different stations of the races as God's arrangement One of the many consequences today for example is that white liberals and feminists may support affirmative action but only because they believe that African Americans and other minorities are inferior
