## Why Nations Rage:

Why Do the Nations Rage? David A. Ritchie, 2021-12-28 What if we understood nationalism as a religion instead of an ideology What if nationalism is more spiritual than it is political Several Christian thinkers have rightly recognized nationalism as a form of idolatry However in Why Do the Nations Rage David A Ritchie argues that nationalism is inherently demonic as well Through an interdisciplinary analysis of scholarship on nationalism and the biblical theology behind Paul's doctrine of powers Ritchie uncovers how the impulse behind nationalism is as ancient as the tower of Babel and as demonic as the worship of Baal Moreover when compared to Christianity Ritchie shows that nationalism is best understood as a rival religion that bears its own distinctive and demonically inspired false gospel which seeks to both imitate and distort the Christian gospel

The Seed Milverton Ojegin, 2014-10-07 In this inspiring masterpiece The Seed A Leader's Growth Path Milverton Ojegin reveals a series of life changing leadership principles that will challenge you to move beyond your present situation Eminently practical and spiritually powerful it carries direct messages of how a leader is created to continually be on the growth path how to avoid the accompanying pitfalls and identify opportunities designed for you by God We all possess a ruling capacity just like God as He purposely created man to be exactly like Him to reign on earth in our chosen fields However for too long many have walked out of character as most have failed to understand that we are a true reflection of God's very image designed to act like Him in full authority power and excellence In this straight forward thought provoking book the author helps you understand that you are a seed planted by God and ordered to be continually productive affirming that your foundational faith as a believer and His Word for you are seeds He has in turn given you to build up on However certain principles must also be followed for you to attain your full capacity as a leader This book will open the windows of your heart to a fresh understanding of you while simultaneously awakening the untapped ideas that lie within you as it uncovers those multi faceted principles that will place you on the right path to growth and excellence

**Why Should I Fear? Volume 2** Laurel E Franks Roberts, 2025-03-13 Volume 2 continues with Biblical stories that concern fear dread anxiety and worry In recent years we have been surrounded by many fears the old fears of public speaking and failure rejection isolation and loneliness loss and poverty persecution war tyranny and oppression injury disease and death To these have been added the particularly modern fears of climate change and invasive technology What is to prevent us from being swallowed up by such concerns in society and inside ourselves Where is help to be found Why

Should I Fear demonstrates that we can face and conquer fears of all sorts by considering Biblical stories and acknowledging the diverse ways in which God helped people in the past. The author points out the potentially overwhelming experiences in which God delivered his people. In the face of what seem like intolerable events and crushing personal conditions, we can know just as surely as Biblical people knew that God is trustworthy to work in our lives. He is the same God now as then. Historical and geographical contextual information helps connect ancient narratives to present times, making the reflections relevant to twenty-first century readers. Readers are encouraged to consider the credibility of Biblical history and to understand that the events and people represented in the Bible existed in real time and in real places. Consequently, readers can trust that the God of the Bible is real and continues to work in our world. If you are plagued by fear if world news frightens or depresses you, then *Why Should I Fear* promises to speak courage or comfort into your life. And while each reflection might not speak to your individual fear, the author trusts that through the stories of difficulty and challenge, the sovereignty of God will shine and speak directly to any reader's heart. **The Messiah** George Frideric Handel, 1867
