Why They Executed Jesus:

Why We're Not Emergent Kevin DeYoung, Ted Kluck, 2008-09-01 You can be young passionate about Jesus Christ surrounded by diversity engaged in a postmodern world reared in evangelicalism and not be an emergent Christian In fact I want to argue that it would be better if you weren't The Emergent Church is a strong voice in today's Christian community And they're talking about good things caring for the poor peace for all men loving Jesus They're doing church a new way not content to fit the mold Again all good But there's more to the movement than that Much more Kevin and Ted are two guys who demographically should be all over this movement But they're not And **Why We're Not Emergent** gives you the solid reasons why From both a theological and an on the street perspective Kevin and Ted diagnose the emerging church They pull apart interviews articles books and blogs helping you see for yourself what it's all about *Does Christianity Kill Culture?* Arthur Chingwaru, 2021-05-04 This book was written in an environment of multi-culturalism To be against one or pro the other might offend the other A multi-cultural society allows you to feel connected to different cultures and culturally different points of view Cultural differences are not of some one's own making but natural The importance of Christianity to culture is that Christianity started social things like schools and hospitals which are for the alleviation of the plight of society Christianity involves things like our family lives and our personal hygiene which are very important for our well being Christianity takes us as all equals in the eyes of God the Father is not selfish but viewing every creation as important How we view ourselves is how we should view others as important as ourselves Christianity is unique in that it combines many cultures It started at the time of Jesus which means those who came to Christianity had their own cultures Some cultures had to abandon what they valued before such as polygamy alcohol divorce abortion and some rituals which were anti-Christ Some cultures were made to adopt some Christian cultures which were not in their cultures before such as Christmas and Easter holidays With the fact that they were made to drop some of their traditions and adapt some Christian cultures could be the reason why they would start saying Christianity is killing culture **The Muslim Jesus , Was Christ Crucified?** Austin Bierbower, 1892 **Why Priests?** Garry Wills, 2014-01-28 New York Times bestselling author Garry Wills provides a provocative analysis of the theological and historical basis for the priesthood In a riveting and provocative tour de force from the author of *What Jesus Meant* Pulitzer Prize winner Garry Wills poses the challenging question Why did the priesthood develop in a religion that began without it and indeed was opposed to it Why Priests argues brilliantly and persuasively for a radical re-envisioning of the role of the church as the Body of Christ and for a new and better understanding of the very basis of Christian belief As Wills emphasizes the stakes for the writer and the church are high for without the priesthood there would be no belief in an apostolic succession the real presence in the Eucharist the sacrificial interpretation of the Mass and the ransom theory of redemption This superb study of the origins of the priesthood stands as Wills's towering achievement and will be of interest to all inquiring minds believers and non-believers alike **How Not to Kill a Muslim** Joshua

Graves,2015-04-13 The adherents of Islam and Christianity comprise half of the world s population or 3 5 billion people Tension between them exists throughout the world and is increasing here in North America In How Not to Kill a Muslim Dr Joshua Graves provides a practical subversive theological framework for a strategic posture of peaceful engagement between Christians and Muslims Based upon both academic and personal experience Josh grew up in Metro Detroit this book will provide progressive Christians with a clear understanding of Jesus radical message of inclusivity and love There is no one who is not a neighbor There is no them There s only us Our future depends upon this becoming true in our cities synagogues churches and mosques In pluralistic societies such as those of Canada and the United States the true test of Christianity is what it offers those who are not Christian And it starts with Islam embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% *My confession; My religion; The Gospel in brief* graf Leo Tolstoy,1899
