Why Christians Burn Out:

Why Christians Burn Out Charles E. Perry, 1982 *A Christian Approach to Work and Family Burnout* Thomas V. Frederick, Scott E. Dunbar, 2019-08-27 In *A Christian Approach to Work and Family Burnout* Calling Caring and Connecting Thomas V. Frederick and Scott E. Dunbar provide a Christian spiritual model to prevent and cope with burnout caused by the workplace and conflict with family. Coupled with indifference and lack of urgency, burnout eliminates a sense of purposefulness and results in psychological depletion. To counter this, Frederick and Dunbar stress the importance of connecting with God in order to understand intrinsic motivations and redefine work as a calling and means to care for others.

Burn for Christ Just . . . Don't Burn Out! Chi Eng Yuan, 2019-04-15 At one time or another all ministers ask the questions or face the challenges of losing their passion for ministry. This author contends that the major contributor to a loss of passion or interest in ministry in general is burnout. This book consists of two major sections. In the first major section, chapters 2 through 4 are about our vertical relationship with God in terms of our passion to serve our spirituality, our understanding and practice of rest, Sabbath, and our compatibility. In the second major section, chapters 5 through 7 are about our horizontal relationship with others in terms of our confidence, our management of conflict with others, and our approach to the culture around us.

Burnout Brad Hambrick, 2013 Learning to live within the time God gives us. Burnout occurs when the things that once gave us life and energy become discouraging and draining, instead sacrificing our pleasures and accomplishments to the continual onslaught of next. While a common danger for Christians who dedicate their efforts to God's kingdom, burnout eventually makes us choose cynical numbness over the caring exhaustion of Christian service. How do we avoid this pitfall? Brad Hambrick argues that burnout is actually a consequence of our life management, and he shows us how to create a time budget to avoid living beyond our means with the time God has provided. He helps us remember to rest in God's fairness rather than try to gain his acceptance. The Gospel for Real Life booklet series by the Association of Biblical Counselors (ABC) applies the timeless hope of Christ to the unique struggles of modern believers. Laurie R. Matthias, 2015-07-14 Teaching is hard. External pressures are steadily increasing, leading to high rates of attrition and burnout. Unlike other resources that attempt to address those external factors, *The Cry of the Teacher's Soul* offers hope by focusing on the key factor of good education: the teacher. It does so by examining the teacher's inner life: mental, emotional, and spiritual. For the Christian teacher, paradoxes in teaching such as idealism, reality, and performance authenticity often parallel similar paradoxes in the Christian faith. By embracing these paradoxes that probe the depths of issues around identity and purpose, the teacher can sustain the difficult vocation of teaching, even thriving instead of just surviving. Each chapter focuses on a cry of the teacher's soul, features a teacher's story that illustrates that cry, and then explores the paradoxes embedded in teaching and in Christianity.
