Why I Am Not a Calvinist Jerry L. Walls, Joseph R. Dongell, 2013-06-06 Paying particular attention to the issue of God's sovereignty Jerry L Walls and Joseph R Dongell critique biblical and theological weaknesses of Calvinist thought **Why I Am Not an Arminian** Robert A. Peterson, Michael D. Williams, 2010-09-03 Exploring biblical theological and historical perspectives Robert A Peterson and Michael D Williams critique problematic aspects of Arminian thought particularly Arminian views on human nature and God's sovereignty *Why I Am Not a Calvinist* Peter S. Ruckman, 1997 *American Theological Inquiry, Volume Four, Issue One* Gannon Murphy, 2011-02-04 American Theological Inquiry ATI reaches thousands of Christian scholars clergy and other interested parties primarily in the U S and U K The journal was formed in 2007 by Gannon Murphy PhD Theology Univ Wales Lampeter Presbyterian Reformed and Stephen Patrick PhD Philosophy Univ Illinois Eastern Orthodox to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America and the West The purpose of ATI is to provide an inter tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theologies developments ideas commentaries and insights pertaining to theology culture and history toward reforming and elevating Western Christianity ATI seeks a critical function as much or more so as a quasi ecumenical one The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter tradition understanding while mutually affirming Christ's power to transform culture and the importance of strengthening Western Christianity with special reference to Her historic creedal roots Theologians would be theologians and the theologically attentive will want to check out American Theological Inquiry Richard John Neuhaus 1936 2009 First Things

Why I Became an Atheist John W. Loftus, 2012-10-10 For about two decades John W Loftus was a devout evangelical Christian an ordained minister of the Church of Christ and an ardent apologist for Christianity With three degrees in philosophy theology and philosophy of religion he was adept at using rational argumentation to defend the faith But over the years doubts about the credibility of key Christian tenets began to creep into his thinking By the late 1990s he experienced a full blown crisis of faith In this honest appraisal of his journey from believer to atheist the author carefully explains the experiences and the reasoning process that led him to reject religious belief The original edition of this book was published in 2006 and reissued in 2008 Since that time Loftus has received a good deal of critical feedback from Christians and skeptics alike In this revised and expanded edition the author addresses criticisms of the original adds new argumentation and references and refines his presentation For every issue he succinctly summarizes the various points of view and provides references for further reading In conclusion he describes the implications of life without belief in God some liberating some sobering This frank critique of Christian belief from a former insider will interest freethinkers as well as anyone with doubts about the claims of religion *Does God Love Everyone?* Jerry L. Walls, 2016-07-29 Does God truly love all persons Most

Christians think the obvious answer to this question is Yes of course he does Indeed many Christians would agree that the very heart of the gospel is that God so loved the whole world that he gave his Son to make salvation available for every single person This book shows that one of the most popular and resurgent theological movements in the contemporary evangelical church namely Calvinism cannot coherently and consistently affirm this vital claim about the love of God While some Calvinists forthrightly deny that God loves everyone more commonly Calvinists attempt to affirm the love of God for all persons in terms that are compatible with their doctrines that Christ died only for the elect those persons God has unconditionally chosen to save This book shows that the Calvinist attempts to affirm God s love for all persons are fraught with severe philosophical and theological difficulties Calvinism then should be rejected in favor of a theology that can forthrightly and consistently affirm the love of God for all persons Nothing less is at stake than the very heart of the gospel
