Why Islam Is Our Only Choice M. Hanif Shahid,2002-01-01 **Why Islam is our only choice** ,1996 **Why Ask Questions About Islam?: Answers Christians Need to Understand** Gordon Kainer,2016-07-11 Across the world Islam appears in eye catching headlines We may be aware of what is happening but often we don t understand why Most Christians have unanswered questions about Islam don t we Do Muslims and Christians worship the same God Does it matter whether one is a Muslim or a Christian How does Islam view love sin salvation and forgiveness Is a Muslim s view of Jesus different than a Christian s What does Bible prophecy say about Islam How best should a Christian witness to a Muslim This book answers over 100 questions Christians ask about Islam and in so doing reveals Islam s greatest need a saving faith in the gospel of Jesus Christ It is the author s hope that this book provides you with a highly informative perspective as Islam is thoughtfully studied and evaluated within the framework of a biblical worldview *Why Only Islam* Syed H. Jaffar,2010-11 Never before has a book like WHY ONLY ISLAM the Summation the coalition of teams of dedicated people worldwide JAFFAR concludes can achieve PEACE ISLAM ON EARTH it s up to us **The Islamic Review** ,1918 **Ten Reasons Why Israel Will Fail** Wajid Mahmud Ibn Bashir,2008-11 The author uses historical and theological information as the basis for the thesis that unless drastic changes are made the entire Middle Eastern region will fall **Islamic Review and Muslim India** ,1918 **why islam is our only choice** muhammad haneef shahid,1996 **Century Sentence** Xu Xue Chun,2017-11-21 This book uses humorous witty sharp exaggerated and miraculous writing style which is so interesting and makes people belly laugh Someone even laughed to tears As an ironic book with strong logic and knowledge this book enables readers to experience the happy life value and brings you endless wealth Dont you believe that it can bring you wealth Now Chinese tourists are the most popular around the world because of their strong purchasing power Why is Chinese purchasing power so strong Do you want to be as rich as Chinese Just read this book and you will find the secret and be enlightened As I can ensure social stability economic development well off family good social order and absence of terrorist attack in China I will make your countries see the same effect Just follow my advice You might think that I am arrogant Actually you are wrong I am qualified to say so I am the most influential civic opinion leader and strategic scholar in China I tried to put my judgments online but only those who were more brilliant than geniuses agreed with me and took my advice However it really disappointed me that what the ordinary people accepted when they were confronted with truth and reality was authority obviously they gave up the former The only thing I can do is tell you what I have done and what contributions I have accomplished as well as how I verify my accomplishments to make you trust me as a successful person to believe in me and listen to me cautiously This book collected my comments and suggestions on all important events which occurred in China and around the world from 2004 until now which are also my appeals to God against the injustice and unfairness of the world Every article in the table of contents has its writing time marked so that you can verify my influence

on the political situation of China and the world according to the writing time of each article my opinions my suggestions and dramatic change of the world political situation You can also verify how God has responded to my appeals and requests according to the writing time of each article my opinions my suggestions and dramatic change of the world political situation

Islam Our Choice Debra L. Dirks,Stephanie Parlove,2003 An increasing number of American women are embracing Islam already over one million converts These are modern American women born and brought up in America to non Muslim parents They have journeyed down the path of Islam without giving up their American heritage and found liberation and self actualization by becoming Muslims This book presents the personal accounts of six American Muslim women who have been kind enough to share their first person stories of the winding roads they traveled en route to embracing Islam In giving their personal portrayals of their individual journeys to Islam some of these sisters in Islam have publicly proclaimed far more about their personal lives than they normally would be willing to share In essence they have sacrificed some of their personal privacy as well as some of their normal reticence and modesty about their personal and private lives Being American sisters in Islam does not mean that we are any less zealous than other Americans in cherishing our rights as Americans and it does not mean that we are any less patriotic What the authors share with other modern women in America is immense and cannot be easily overstated However despite all the things that we share with our fellow Americans who are non Muslims what we have come to share with our worldwide sisters in Islam is especially sweet and appealing While each of us remains an American we are Americans who have joined a very special and caring sisterhood that transcends biological inheritance personal genetics ethnicity race and socioeconomic status We have come to understand and to love the fact that what is important is individual righteousness notsuperfluous consid

Why I Am Not a Muslim Ibn Warraq,2010-09-30 Those who practice the Muslim faith have resisted examinations of their religion They are extremely guarded about their religion and what they consider blasphemous acts by skeptical Muslims and non Muslims alike has only served to pique the world s curiosity This critical examination reveals an unflattering picture of the faith and its practitioners Nevertheless it is the truth something that has either been deliberately concealed by modern scholars or buried in obscure journals accessible only to a select few
