The Last Hunter:

The Last Hunter's Rage Diana J. Vargas, 2024-04-24 This is it He s going to die and I ll be free At the last second he moved and I was suddenly pinned up against the wall the silver dagger now in his hand He pressed the blade to my throat a sadistic grin creeping across his face Oh Reese he purred Are you in trouble now He leaned closer his lips brushing my jaw I inhaled softly Please I said my voice shaky In a world where the human population has been overrun by all manner of supernatural entities defiance is met with death Humans are forced to be living blood bags for vampires test subjects for witches and warlocks and the slaves and servants of werewolves Reese Hearne remembers the time before When supernatural beings hid in the shadows afraid to show their faces to the world The time before Hunters became the prey before they were tracked down and killed Every last one of them Except for Reese Fueled by a dark past she wrecks havoc across the supernatural world in Toronto armed only by stakes a silver dagger and a lust for revenge Then she kills the younger brother of Elijah Randon Toronto s Alpha the Alpha of the largest pack in North America And he is not one to forgive easily Then again neither is Reese Unfortunately Little Hunter I have my own game to play *Comparatizing Taiwan* Shu-mei Shih, Ping-hui Liao, 2014-10-17 As the site of crossings of colonizers settlers merchants and goods island nations such as Taiwan have seen a rich confluence of cultures where peoples and languages were either forced to mix or did so voluntarily due largely to colonial conquest and their crucial role in world economy Through an examination of socio cultural phenomena Comparatizing Taiwan situates Taiwan globally comparatively and relationally to bring out the nation s innate richness This book examines Taiwan in relation to other islands cultures or nations in terms of culture geography history politics and economy Comparisons include China Korea Canada Hong Kong Macau Ireland Malaysia Japan New Zealand South Africa the United States and the Caribbean and these comparisons present a number of different issues alongside a range of sometimes divergent implications By exploring Taiwan s many relationalities material as well as symbolic over a significant historical and geographical span the contributors move to expand the horizons of Taiwan studies and reveal the valuable insights that can be obtained by viewing nations societies and cultures in comparison Through this process the book offers crucial reflections on how to compare and how to study small nations This truly interdisciplinary book will be welcomed by students and scholars interested in Taiwan studies Sinophone studies comparative cultural studies postcolonial studies and literary studies *Indigenous Knowledge in Taiwan and Beyond* Shu-mei Shih, Lin-chin Tsai, 2021-01-15 This book situates Taiwan s indigenous knowledge in comparative contexts across other indigenous knowledge formations The content is divided into four distinct but interrelated sections to highlight the importance and diversity of indigenous knowledge in Taiwan and beyond It begins with an exploration of the recent development and construction of an indigenous knowledge and educational system in Taiwan as well as issues concerning research ethics and indigenous knowledge This is followed by a section that illustrates diverse forms of indigenous knowledge and in turn a theoretical dialogue between

indigenous studies and settler colonial studies Lastly the Paiwan indigenous author Dadelavan Ibau s trans indigenous journey to Tibet rounds out the coverage This book is useful to readers in indigenous settler colonial and decolonial studies around the world not just because it offers substantive content on indigenous knowledge in Taiwan but also because it offers conceptual tools for studying indigenous knowledge from comparative and relational perspectives It also greatly benefits anyone interested in Taiwan studies offering an ethical approach to indigeneity in a classic settler colony [The Last Hunter - Lament \(Book 4 of the Antarktos Saga\)](#) Jeremy Robinson,2012-07-01 In all the days since my kidnapping breaking and transformation into a hunter at the hands of the half human half demon Nephilim my life has been a mass of chaotic actions and reactions to the horrors of the Antarctic underworld I have battled unnatural monsters fled for my life and sacrificed everything or thought I had when I stepped through the gates of Tartarus Every choice I have made was in response to forces beyond my control lacking any kind of direction But now reunited with my friends Kainda and Em and in the company of new friends Wright and Kat I am taking control of the chaos and choosing my own direction down Deeper than the realm of Hades the most feared of the Nephilim deeper than the gates of Tartarus and deeper than any human being has ventured since the beginnings of the human race My goal is simple find the Jericho shofar a weapon revealed to me by Cronus the Titan I don t know what it does or how it works but I know the Nephilim fear it and that Nephil possessing the body of Ninnis will do anything to stop me from recovering it The path will be dangerous and the cost might be great but my path is clear retrieve the shofar return to the surface and prepare for war My name is Solomon Ull Vincent the Last Hunter and I am done running

'80s Action Movies on the Cheap Daniel R. Budnik,2017-03-21 The 1980s was the decade when the action film as it s now known came into being Nonstop big budget excitement became the standard as epic adventures like Raiders of the Lost Ark and The Road Warrior set the tone for the summer blockbusters of Sylvester Stallone Arnold Schwarzenegger and Chuck Norris Homages and ripoffs made with lesser budgets followed every hit especially with the advent of direct to video releases Providing detailed commentary on 284 films this book explores the excitement audacity and sheer weirdness of 80s low budget action cinema from the American Ninja series to dime a dozen barbarian pictures to such bargain basement productions as The Courier of Death Kill Squad and Samurai Cop

The Prehistoric Rock Art of Portugal George Nash,Sara Garcês,2023-10-30 The Prehistoric Rock Art of Portugal presents significant interpretive perspectives in Portuguese rock art research and offers an excellent representation of core rock art areas along with current thinking and interpretations The various chapters deliver a personal approach to the many issues themes and approaches that are embedded within the rock art of the outpost of western Atlantic Europe Ethnographical perspectives have often dominated the study of rock art but unlike other well studied regions the western Iberian Peninsula is absent of an ethnographical or ethno historical past and therefore the production of rock art can only be archaeologically assessed Thus the work promotes interpretive perspectives on Portuguese rock art illustrating the richness chronology and context of these

unique artistic expressions and explores the variability of rock art imagery and the diversity of landscapes and social contexts in which it was produced Although focusing on Portuguese rock art the book includes a number of universal themes that will appeal to a broad range of scholars researching in archaeology and anthropology history of art as well as professionals engaged in rock art heritage and conservation

The Last Hunter - Onslaught Jeremy Robinson,2012-11-01 The past few years have been a mixture of torture painful growth and sometimes pushing its way through all the darkness joy I have made friends and allies brothers and sisters mentors and Kainda who is something else entirely But someone is missing someone whose memory saved me from despair Mirabelle Whitney my hope So while the human race prepares to defend itself I ride toward the encroaching Nephilim army intending to save Mira return to our feeble base and lead the charge against those who plan to wipe the human race from the face of the Earth It sounds like an impossible plan and maybe it is but if we re going to die we re going to die like hunters boldly and bravely More than that we re going to die together as a united race facing a common enemy Nationality no longer matters Ancient
