## **The Seance:**

The Seance Tricia Drammeh, 2017-11-27 Ninth grade can be a nightmare when you don't fit in at school your crush chooses someone else and your parents tell you they're having a new baby Abby was prepared for normal high school problems She wasn't prepared for a demon Abby has always been fascinated by the paranormal but after an ill-fated seance she discovers not all Spirits are benign A dark entity unleashed during the summoning sets out to destroy Abby and within days she loses her best friend incurs the wrath of her parents and becomes a prisoner in her own home With time quickly running out she assembles an unlikely group of helpers the most hated guy in school a retired psychic and the cute clerk from her favorite bookstore Unless the demon is defeated Abby and her new baby brother won't stand a chance **The Séance** John Harwood, 2009 Constance takes her grieving mother to a seance which leads to tragic consequences and a legacy that will blight her life **Science of the Seance** Beth A. Robertson, 2016-11-28 In the 1920s and 30s people gathered in darkened rooms to explore the paranormal through seances They were motivated by grief spiritual devotion or a desire to be entertained Beth A Robertson resurrects the story of a small transnational group and their quest for objective knowledge of the supernatural casting new light on how science metaphysics and the senses collided to inform gendered norms in this era Robertson draws back the curtain to reveal a world inhabited by researchers spirits and spiritual mediums Representing themselves as masters of the senses untainted by the effeminized subjectivity of the body psychical researchers in Canada the UK and the US believed that they could use machines and empirical methods to transform the seance into a laboratory of the spirits and a transnational empirical project However mediums and ghostly subjects could and did challenge their claims to scientific expertise and authority **The Seance in Apartment 10** Ambrose Ibsen, 2018-08-13 Would you like to speak to the dead When Tori moves into a studio at the rundown Lamplight apartment complex she gets more than she bargained for The faucet leaks the water heater barely functions and the lack of air conditioning makes the summer nights brutal But worst of all is the dark presence that stalks the building When she and her friends play around with a Ouija board Tori learns first hand why the living have no business communing with the dead Something sinister is roused in the process and her life begins to spiral into madness soon thereafter She suffers terrible nightmares hallucinations and feels as though she's being watched at all hours of the day And that's only the beginning If the spirit has its way it'll consume her completely With a terrifying specter on her trail and only a few cryptic clues about the building's curious past to aid her Tori searches desperately for a way to get rid of the spirit What has escaped from the underworld will not go back so easily however **An Amazing Séance and an Exposure** Sydney Alexander Moseley, 1919 Journal of the American Society for Psychical Research American Society for Psychical Research, 1909 List of members in v 1 6 12 The Saturday Review of Politics, Literature, Science and Art, 1922 The Two Worlds, 1929 McClure's Magazine, 1909 **The Spiritual Magazine**, 1871 **The Journal of Abnormal and Social Psychology**, 1927 **Autobiography of Beals E.
