The Ascension:

The Ascension of Christ (Snapshots) Patrick Schreiner, 2020-07-29 It is essential to the Gospel but we rarely talk about it. The good news of Jesus includes his life, death, resurrection, and future return, but what about his ascension? Though often neglected or misunderstood, the ascension is integral to the Gospel. In *The Ascension of Christ*, Patrick Schreiner argues that Jesus' work would be incomplete without his ascent to God's right hand. Not only a key moment in the Gospel story, Jesus' ascension was necessary for his present ministry in and through the church. Schreiner argues that Jesus' residence in heaven marks a turning point in his three-fold offices of prophet, priest, and king. As prophet, Jesus builds the church and its witness. As priest, he intercedes before the Father. As king, he rules over all. A full appreciation of the ascension is essential for understanding the Bible, Christian doctrine, and Christ's ongoing work in the world. Christ Ascended Brian K. Donne, 1983

The Ascension in Karl Barth Andrew Burgess, 2017-07-05 This book explores the doctrine of ascension and Barth's ascension thought in particular. First, it examines the doctrine of Jesus Christ's ascension into heaven, presenting a sustained discussion of Karl Barth's approach to this doctrine and the significance of the doctrine within his theology as a whole. Secondly, through examining Barth's ascension thought and dialoguing with three other theologians, Torrance Farrow and Jenson, a clearer understanding of Barth and his theology is achieved. The treatment of issues related to Christ's ascension across a broader Protestant perspective increases the relevance and usefulness of this unique study. Andrew Burgess presents the doctrine of the ascension as an important and undervalued doctrine and encourages Christians to see how like Barth they might benefit in their ability to think coherently about the present age and about Jesus in relation to this age, enabling further thought about the work of the Holy Spirit, the church, and Christian ethics. **The Ascension of Our Lord** Peter Toon, 2020-05-13 I am alive forevermore. Rev 1:18. In this landmark work, a leading theologian presents one of the most significant studies on the doctrine of the Ascension in many years. Peter Toon explores fully all aspects of the Ascension: its foreshadowing in the Old Testament, accounts of the Ascension from the New Testament, and church teachings on the doctrine through the ages. Drawing on the work of the world's most respected theologians, Toon shows that the Ascension inaugurates a new age in which Christ began a new ministry as King, Priest, and Prophet. Marked by clarity and penetrating scholarship, *The Ascension of Our Lord* is a valuable resource for pastors and all students of the Bible. The Ascension of Jesus Christ into Heaven: the Hidden Context Ezzat Hegazi, 2020-12-06 A single statement in Luke's Gospel opens an obscure gate to a galactically different view of exactly what happened to Jesus Christ at the end of his time on Earth. Contrary to our common understanding, Jesus's ascension into heaven happens to be the ultimate proof of his messiahship, so much so it made his enemies race against time to prevent it from being fulfilled at any cost. The real significance of Jesus's ascension was never made clear in the canonical gospels for it stood stubbornly against the very teachings of the Pauline Church. This book takes you on a short journey to see how Jesus's ascension was the exact antithesis of the belief about his rising from the dead.

and to hear about the story of Jesus Christ as it was most likely told by the earliest Judeo Christians It will also bring to light the real reason behind the persecution of the early Judeo Christians culminating with the murder of James the Righteous it has everything to do with the early Judeo Christians steadfast belief in Jesus's ascension into heaven against what was being publicized about Jesus *Ascensiontide. Thoughts on the Ascension Day Collect. By a Clergyman of the Diocese of London, and M.A., Oxford Ascensiontide, 1871*

Ascension And Ecclesia Douglas Farrow, 2004-07-01 Recent theology offers few attempts to come to grips with the meaning and implications of the ascension of Jesus Professor Farrow begins with a discussion of the biblical treatment of the ascension and Eucharistic celebration from which emerges the unique ecclesial worldview There are chapters on the treatment of these ideas by Irenaeus, Origen, and Augustine and on developments up to the Reformation He explores the link between ideas of the ascension, cosmology, and ecclesiology Farrow goes on to examine the difficulties faced by the doctrine of ascension in the modern scientific world In a final chapter he calls for an ecclesiology which does not marginalise the human Jesus *History of the Church of the Ascension, Chicago, Illinois (1857-1982)* George C.
