

The Auld Alliance

Aubigny-sur-Nère (France)

The Auld Alliance:

An Antidote to the English Norman Macdougall, 2001 The Auld Alliance originated as an offensive and defensive treaty made by John King of Scots and Philip IV of France directed against Edward I of England in 1295. Remarkably this original treaty of Paris Dunfermline was frequently renewed throughout the course of the next two and a half centuries becoming latterly a cornerstone of Scottish foreign policy. Combining narrative and analysis this book covers the uncertain beginnings of the Alliance moving on to the major military commitment of the Scots to the French side in the Hundred Years War 1337-1453 with England the subsequent settlement of Scots in France in the fifteenth century the close naval and military links between James IV and Louis XII of France in the early sixteenth century and the climax and end of the Alliance following the marriage of Francis II of France to Mary Queen of Scots 1558. *The Auld Alliance* Hubert Fenwick, 1971 [The Auld Alliance](#) Stephen Wood, 1989 **The Auld Alliance** James Laidlaw, 1999 **The Auld Alliance** Gordon Donaldson, 1985

The Auld Alliance Lettice Milne Rae, 1931 **Stuart Spouses** Heather R Darsie, 2024-11-30 Explores the overlooked consorts of the Stuart monarchs revealing their influences on the kingdoms of Scotland England Ireland and Wales from 1406 to 1714. *Stuart Spouses* looks at the oft overshadowed consorts of the Stuart monarchs from 1406 to 1714. By focusing on these people and detailing their rises to matrimony the trials and tribulations of their courtships and the impact their unions and dissolutions had on the kingdoms of Scotland England Ireland and Wales one learns not only the history of these kingdoms but the true sometimes soft power behind the throne. **Conflict, Commerce and Franco-Scottish Relations, 1560-1713** Siobhan Talbott, 2015-10-06 Using untapped archival sources from Britain France and America Talbott presents a comparative view of British relations with France over the long seventeenth century. [Prisoners of War in the Hundred Years War](#) Rémy Ambühl, 2013-01-17 The status of prisoners of war was firmly rooted in the practice of ransoming in the Middle Ages. By the opening stages of the Hundred Years War ransoming had become widespread among the knightly community and the crown had already begun to exercise tighter control over the practice of war. This led to tensions between public and private interests over ransoms and prisoners of war. Historians have long emphasised the significance of the French and English crowns interference in the issue of prisoners of war but this original and stimulating study questions whether they have been too influenced by the state centred nature of most surviving sources. Based on extensive archival research this book tests customs laws and theory against the individual experiences of captors and prisoners during the Hundred Years War to evoke their world in all its complexity. Scotland and France, 1995 [Memory and Foresight in the Celtic World](#) Lorna G. Barrow, Jonathan Wooding, 2020-12-01 *Memory and Foresight in the Celtic World* delves deep into the experience of Celtic communities and individuals in the late medieval period through to the modern age. Its thirteen essays range widely from Scottish soldiers in France in the fifteenth century to Gaelic speaking communities in rural New South Wales in the twentieth and expatriate

Irish dancers in the twenty first Connecting them are the recurring themes of memory and foresight how have Celtic communities maintained connections to the past while keeping an eye on the future Chapters explore language loss and preservation in Celtic countries and among Celtic migrant communities and the influence of Celtic culture on writers such as Dylan Thomas and James Joyce In Australia how have Irish Welsh and Scottish migrants engaged with the politics and culture of their home countries and how has the idea of a Celtic identity changed over time Drawing on anthropology architecture history linguistics literature and philosophy Memory and Foresight in the Celtic World offers diverse thought provoking insights into Celtic culture and identity

The Oxford Companion to Scottish History Michael Lynch,2007 Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen
