The Bab:

Gate of the Heart Nader Saiedi, 2008-04-22 Co published with the Association for Bah Studies In 1844 a charismatic young Persian merchant from Shiraz known as the Báb electrified the Shi'ite world by claiming to be the return of the Hidden Twelfth Imam of Islamic prophecy But contrary to traditional expectations of apocalyptic holy war the Báb maintained that the spiritual path was not one of force and coercion but love and compassion The movement he founded was the precursor of the Bahá'í Faith but until now the Báb's own voluminous writings have been seldom studied and often misunderstood Gate of the Heart offers the first in depth introduction to the writings of the Báb Taking an interdisciplinary approach the author examines the Báb's major works in multifaceted context explaining the unique theological system mystical world view and interpretive principles they embody as well as the rhetorical and symbolic uses of language through which the Báb radically transforms traditional concepts Arguing that the Báb movement went far beyond an attempt at an Islamic Reformation the author explores controversial issues and offers conclusions that will compel a re evaluation of some prevalent assumptions about the Báb's station claims and laws Nader Saiedi's meticulous and insightful analysis identifies the key themes terms and concepts that characterize each stage of the Báb's writings unlocking the code of the Báb's mystical lexicon Gate of the Heart is a subtle and profound textual study and an essential resource for anyone wishing to understand the theological foundations of the Bahá'í religion and the Báb's significance in religious history

The Dispensation of the Bab Boris Handal, 2023-10-01 More than producing a new religious canon the Báb brought a fresh worldview of the divine the human and the social Through His vast written revelation the Báb proclaimed majestically the fulfilment of the prophetic Great Day of God promised by the religions in the past His mystical teachings appeal to the perfection and nobility of the human soul All things being made new He delivered a distinct divine philosophy drastically changing ecclesiastic and liturgical laws and legislating on individual and social matters The Báb's teaching attracted fiery opposition from the establishment leading to His imprisonment torture exile and martyrdom Relying on nearly 600 passages from His writings the Dispensation of the Báb presents a panoramic view of the Báb's doctrine highlighting His position as an independent Messenger of God and announcing the imminent advent of Him Whom God shall make manifest showing at the same time the theological unicity between the faiths of the Báb and Bahá'í

The Gate Chris Rowan Grainger, 2006 This book tells the true story of the life of the Bab whose name means the Gate His life led to the foundation of the Bahá'í Faith In many ways it parallels the life of Christ It is one of the great stories of our time starting in Persia now Iran in 1844 This miraculous event is now becoming known in all parts of the world The book charts the artistic development of a painting offering historical portraits of people and events The aim has been to create a feeling of the places and the context It is made out of nineteen panels which fit into the design of the whole story The book also uses the structure of the painting and offers short explanations for each of its panels These cover Shaykh Ahmed Siyyid Kazim Mula Husayn The Letters of the Living The Bab's journey to Mecca Over the
