The Back Room:

The Back Room Carmen Martín Gaité, 2000-04-01 In the middle of the night a woman awakens to find a stranger in her bedroom Though she cannot determine who he is or indeed whether he is even real at all and not just an extension of her dreams or her writing she is drawn into a conversation

The Backroom Boys Graeme Sligo, 2013-10-05 The Backroom Boys is the remarkable but little known story of how a varied group of talented intellectuals drafted into the Australian Army in the dark days of 1942 provided high level policy advice to Australia's most senior soldier General Blamey and through him to the Government for the remainder of the war and beyond This band of academics lawyers and New Guinea patrol officers formed a unique military unit the Directorate of Research and Civil Affairs under the command of an eccentric and masterful string puller Alf Conlon The Directorate has been depicted as a haven for underemployed poets or meddling soldier politicians Based on wide ranging research this book reveals a fuller and more fascinating picture The fierce conflicts in the wartime bureaucracy between public servants and soldiers in which the Directorate provided critical support to Blamey went to the heart of military command accountability and the profession of arms The Directorate was a pioneer in developing approaches to military government in areas liberated by the combat troops as demonstrated by the Australian Army in New Guinea and Borneo in 1945-46 It is an issue of enduring importance The Directorate established the Australian School of Pacific Administration and had an important role in founding the Australian National University Its influence extended into post war Australia The Backroom Boys emphasises the personality of Colonel Alf Conlon as well as the talented men and women he recruited Above all this book shows how unexpectedly the Australian Army fostered a group of men and women who made a lasting contribution to the development of Australia in the decades after the war

Goldberg While still at school Andrew Mlangeni joined the Communist Party of South Africa and also the ANC Youth League These were the organisations that shaped his values Decades of resourceful activism were to lead to his arrest and life sentence in the Rivonia trial Mlangeni s lifelong commitment to the struggle for liberation reverberates with other biographies and memoirs of leading figures such as Rusty Bernstein s Memory Against Forgetting and Albie Sachs We the People Insights of an Activist Judge This story of an ANC elder is a well researched historical record overlaid with intensely personal reflections which intersect with the political narrative Above all it is one man s story set in the maelstrom of the liberation struggle This biographical project has been developed for and published in conjunction with the June and Andrew Mlangeni Foundation
