story that confronts the burgeoning sexuality of a young man in his last year of prep school Adam Proffit is torn apart by his
longstanding highly concealed crush on his roommate of two years Kellum Thurman and the newly arrived faculty member
Carter Moran whom Adam believes may share his attraction But within the conservatively charged atmosphere of the
Melbourne School acting upon any of his sexual impulses presents a dangerous proposition that could jeopardize Adam s
existence at Melbourne and destroy the future for which he has worked so long and hard But keeping his feelings hidden
poses perhaps an even graver and more devastating challenge Adam must either come to terms with his sexuality or find the
emerging self within him destroyed Uplifting and surprising The Pelican Fables will keep you wondering until the very last
