The Land Below Stewart Wieck, Stephan Wieck, 1991 **Proceedings of the Society for Psychical Research** Society for Psychical Research (Great Britain), 1892 List of members in v 1 19 21 24 Proceedings of the Society for Psychical Research Society for Psychical Research, 1892 Forthcoming Books Rose Army, 1992 *Books in Print*, 1991 **The Dirty Bombers** Ed Taylor, 2013-09-01 The Quarry Rory croaked There s been a massacre They re dead all DEAD It is high summer in the picturesque fishing village of Barlmouth and the beach and streets are thronged with tourists Suddenly they are attacked by flocks of seagulls acting in a structured and coordinated way Why Terrorism Rork is a young seagull who discovers that local businessmen are secretly culling the birds in his colony He finds himself thrust unwillingly into leadership of the gulls and organises a dramatic protest Factions within the gull colony resort to more vicious methods to avenge their kinfolk and Rork struggles on two fronts to contain the inevitable escalation Anne Rigby is a feisty young reporter for the local paper who realises that the birds have a message to convey and searches for the reason The local population takes sides in the conflict that follows which is followed avidly on national television This culminates in a pitched battle between gulls and gunmen centred on and around the elegant launching party of a superyacht belonging to a local dignitary The conclusion is as sudden and surprising as it is unexpected The Dirty Bombers is a humorous work of young adult fiction that will also appeal to older readers It can be seen as an analogy for conflict between groups such as the Palestinians and Israelis with peacemakers and hardliners on both sides making the topic accessible to teen readers Author Ed has been inspired by Richard Adams and John Wyndham The Chronicles of Arax Benjamin Sanford, 2022-06-28 Our actions define us as heroes or cowards not our intentions Such is the nature of war Arsenc Men march beside their comrades into walls of spears and under rains of arrows refusing to relent so as not to shame themselves before their brothers For every man who shirks his duty and abandons his post a hundred stand their ground What more can a hero be than a man who risks his life for country and friend in spite of the obvious fear that strikes at us all The paths of war and heroes are forever intertwined War does not create heroes It merely reveals them They are not measured by the greatest of deeds but by the simple willingness to do their part I am marching north in their company King Lore before the battle of Kregmarin Having freed Cronus from the dungeons of Fera his friends must navigate the treacherous lands of the Benotrist realm to escape Tyro s wrath Tosha hunts Raven desperate to bring him to her mother s realm or suffer the shame of failure before her vassals Leanna eagerly awaits the return of her lost love while Terin must return to his native realm after becoming separated from the others Journeying first to the Yatin Empire and then Corell Terin continues to unlock the full power of his father s sword embracing the mysterious destiny guiding his path Tyro obsesses over the images carved on Terin s lost necklace haunted by the ghosts of his past while unleashing Morac to wage war on the Torry realm With the fortunes of his kingdom at stake King Lore makes a bold decision With the conflagration spreading across Arax will the fate of the kingdoms

rise and fall by the fickle winds of chance or the guiding hand of destiny

The Chronicles of Arax Book Three Ben Sanford, 2023-02-16 You are not alone son of Lore Yah reassured me lifting my spirit Twas then he revealed my brothers brothers not of blood but of spirit who would stand by my side to contest Tyro s dominion You Terin are one of my true brothers sent by Yah in our time of greatest need Your birth was foretold long ago long before King Vantor II of the Middle Kingdom revealed the prophecy of the one to find the lost Sword of the Moon Your birth was foretold long before the rise and fall of ancient Tarelia Your birth was revealed to Kal himself before he fell in battle a divine vision from Yah to his most faithful servant You are his only descendent his line dying or living through you and you alone It is through you that his divine gift endures the power to strip gargoyles of their courage and sense Against you they cannot stand It is Kal s blood that enables you to call upon such power Kal s blood that ordains you a child of prophecy It is Kal s blood that calls out to the Swords of Light drawing you to them their own power symbiotic to your own In my hand your sword can cut through any object and would guide my hand to preserve my life In your hand it is so much more enhancing your power to drive off gargoyles tenfold The swords were forged for the descendants of Kal They were forged for you Prince Lorn at the siege of Mosar While the Torries and Jenaii celebrate their victory at Corell the battle in Yatin grows dire forcing difficult choices on Princess Corry As acting regent of the northern realm she is faced with a war torn land bracing for winter while her brother fights a desperate battle far away Heeding her council she lends him the only aid she can much to her misgivings At Corell Cronus must again bid his beloved Leanna farewell undertaking a delicate mission on behalf the realm while Elos helps Alen set his own course in the fight against his former masters To the east Morac s legions limp into winter quarters at Notsu licking their wounds while their lord plots his revenge In the Ape Empire General Matuzak hosts the Earthers inviting them to aid him in establishing a republic At Fera Tyro obsesses over the carvings in Terin s charm consumed with the possibilities it portends while Tosha prepares her return to her mother s isle with child and without her consort preparing for an uncertain reception Before journeying to Yatin Terin s father confides in him the great and terrible truth that plagues his past and threatens their future a truth that shakes Terin to his very core casting doubt over everything he knows He must carry this terrible burden into battle helping his future king in saving an age old enemy of their people against the greater threat threatening to consume them all As the war expands throughout Arax the fate of the Torry Realms hangs in the balance their only hope for survival dependent on the battle of Yatin

Green Oslo Per Gunnar Røe, 2016-04-22 As urban regions face the demand to decrease fossil fuel dependency many cities in the developing world are undertaking initiatives designed to create a greener city by aiming for a more sustainable form of urban development and to do so they need to evaluate existing modes of transportation and patterns of land use Focusing on Oslo an early leader in urban environmental policy making and a European green city award winner it argues that this evaluation must adopt and integrate two approaches firstly as a process of ecological modernization based on a combination of transit densification and mixed use development and secondly

as an opportunity to reconsider the character and substance of the built environment as a reflection of natural values landscapes and natural resources of the wider region Environmental debate and concern is widespread in Oslo and this is reflected in its earlier planning decisions to leave intact large forest reserves its successful ecological restoration of the Oslo fjord the importance of outdoor culture among its residents the relatively progressive political agenda of Norway This book provides an opportunity for a critical assessment of the limitations and opportunities inherent in green Oslo and suggests the need for much broader integrative approaches It concludes by highlighting lessons which other cities might learn from Oslo
