The Last Ditch:

The Last Ditch Will Levington Comfort, 2018-09-21 Reproduction of the original *The Last Ditch* by Will Levington Comfort

The Last Ditch Sandy Mitchell, 2012-02-07 Commissar Cain returns to an icy planet to crush a new wave of ork attacks but inadvertently disturbs a far greater threat which has lain frozen and dormant for centuries in a new hardcover edition Imperial commissar Ciaphas Cain returns to Nusquam Fundamentibus to crush the ork attacks which have been plaguing the frozen planet But when his ship crashes into the wastelands outside the capital it disturbs a far greater enemy one which has lain dormant under the permafrost since long before the Imperium came to this world and could now threaten the whole sector Faced with ongoing greenskin raids and keeping an over enthusiastic novice commissar under control Cain must rally his men and confront whatever emerges from beneath the rapidly melting ice

Records and Briefs of the United States Supreme Court, 1832

The Irish Beckett John P. Harrington, 1991-05-01 Breaking with a powerful tradition among scholars that insists that Beckett's Irishness is no more than an accident of birth Harrington provides compelling evidence to the ways in which many of Beckett's best known texts are deeply involved in Irish issues and situations Providing new readings of such works as *More Pricks Than Kicks* Murphy Watt Mercier and Camier *Waiting for Godot* and *Endgame* Harrington provides an understanding of Beckett's work in its representation of Ireland of Irish history and of Irish literary traditions

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor's *Dictionary of American Proverbs and Proverbial Phrases 1820 1880* It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious
